### A SAD FATE!

A man's life is full of crosses and temptations. He comes into this world without his consent and goes out against his will, and the trip between the two is exceedingly rocky. The rule of contraries is one of the most important features of the trip. 44

When he is little the big girls kiss him, and when he is big the little girls kiss him. 44

If he is poor he is a bad manager; if he is rich he is dishonest; if he needs credit he can't get it; if he is prosperous everybody wants to do him a favor. 44

If he's in politics it's for pie; if he is out of politics you can't place him and he's no good for his country. If he doesn't give to charity, he's a stingy cuss; if he does it's for show. 44

If he is actively religious he's a hypocrite; if he takes no interest in religion he is a hardened sinner. If he shows affection he is a soft specimen; if he seems to care for no one he is cold blooded. If he dies young there was a great future before him; if he lives to an old age he has missed his calling. The road is rocky, but man loves to travel it. 44

## BEWARE OF BRONCHITIS

Bronchitis is generally caused by neglecting a cold, or exposure to wet and inclement weather. It begins with a tightness across the chest, difficulty in breathing, and a wheezing sound comes from the lungs. There is a raising of phlegm, especially the first thing in the morning. This is at first white, but later becomes of a greenish or yellowish color and is occasionally streaked with blood. 44

On the first sign of bronchitis you should check it immediately by using Dr. Wood's Norway Pine Syrup, thereby prevent it becoming chronic, and perhaps developing into some more serious lung trouble. 44

Mrs. Bruce Cullham, Sheffield, Ontario, writes:—"In December, 1919, I was very sick with bronchitis, and had to stay in the house all winter. One day I saw Dr. Wood's Norway Pine Syrup advertised, so I got a small bottle which helped me very much; I then got a 6oz. size, and it completely relieved me. I cannot praise Dr. Wood's enough for what it did. Two of my neighbors are now using it for colds." 44

Don't accept a substitute for Dr. Wood's Norway Pine Syrup; the genuine is put up in a yellow wrapper; three pine trees the trade mark; price 35c. and 60c.; manufactured only by The T. M. Burton Co., Limited, Toronto, Ont. Advl. 44

Another of the series of billiard matches for the Trail Cup will be played off this evening, the opposing teams being the G. W. V. A. and the Elks. The former will be represented by the following: Sergt. Jepson, Dr. West and Messrs. Laye, Youngman, Henning and J. Campbell. 44
