## SWUNG ON ANTLERS OF BULL MOOSE

Miramichi River Guide Has Exciting Experience and Narrow Escape.

FREDERICKTON, N. B., Dec. 22.—George Hinton of Dostkown broke two of his ribs on the last day of the moose hunting season when he was hurled from the antlers of a gigantic old bull crashing his way through the thick woods near here. Hinton had wounded the moose and was turning his attention to a band of six others in the vicinity when the noise of his "kill" staggering to his feet made him turn around. The huge bulk of the infuriated bull was almost atop of him. Grasping the massive antlers with both hands Hinton was swung clear of the trip-hammer hoofs and carried off at a great pace into the woods clinging to the head of the injured moose. After a ride of some distance Hinton was thrown from his exalted position, his steed continuing his wild career.

Hinton is one of the best known moose hunting guides on the Miramichi.
