PAPER MILLS THREATEN TO CLOSE DOWN

Because Government insists on Canadian Press Being Supplied Before Newsprint is Exported.

TORONTO, January 7.—R. A. Pringle, the Newsprint Paper Controller, in an interview here today referred to the threat of Price Brothers & Co., Ltd., to close the paper mills because the control of the Canadian paper product which was begun during the war under the War Measures Act was still being continued.

"This would be unfortunate," said the paper controller, "as it would be a serious loss both to themselves and to the publishers with whom they now have contracts running. It would also throw a large number of workmen out of employment." Continuing, Mr. Pringle said: "Price Brothers have absolutely refused to comply with the Government's orders and consequently the minister of customs has placed at their mills officials who will prevent the export of newsprint from Canada to the extent that may be necessary to ensure their full quota of paper."

The extreme desire on the part of the paper manufacturers to export their product to the United States is brought about by the present state of the market and the exchange situation. Owing to the shortage of newsprint in the United States, publishers there are bidding against each other for supplies and have run the price away up above the controlled price in Canada. This together with the favorable exchange rates for exports, has led certain mills to cut down their supplies to the Canadian consumers, and Price Brothers, Ltd., to intimate that they would cease supplying newsprint to their Canadian customers at all. The paper controller immediately took the matter in hand and informed the manufacturers that Canadian newspapers must receive sufficient paper before any paper would be allowed to be exported.

VANDERHOOF

The annual meeting of the Nechako Farmers' Institute was held in the Veterans' Hall last Saturday afternoon. Reports presented showed a very prosperous and satisfactory condition of institute affairs. Membership has increased during the year from 39 to 98. The following were the officers elected for 1920: Fred C. Borhaven, president; E. B. Smith, vice-president; George H. Outram, secretary-treasurer; Sam Cocker, David McCallister, Alex Lamont and George Snell, executive.

The New Year was welcomed in here by an impromptu dance given in the Veterans' Hall. About seventy-five persons were present and excellent music was provided. At midnight New Year was seen in and a most delightful supper was then served.

On Christmas Day E. C. and Mrs. McGeachy gave a party at their home when their son, Duncan David Cameron, was baptised by Rev. David Gray.

Mrs. Macdonald, president of the Laides' Aid, left on Sunday for Shawinigan Falls, Quebec, where she will in future make her home. Mrs. Macdonald has been an ardent church worker and has made her energy felt in church circles. On the eve of her departure she was the recipient of a number of beautiful presentations. She will reside with her son, Dr. D. L. Macdonald of Shawinigan Falls.

Much pleased with the enthusiasm aroused over the last assay competition, Mr. George J. Watt is offering \$3, \$2, and \$1 prizes for a second competition entitled, "What I would like to be when I grow up, and why."

PROVINCIAL POLICE ARE TO BE MOUNTED

WINNIPEG, Jan. 7.—A Provincial Mounted Police Force is to be organised in Manitoba for the purpose of enforcing the law in the new Rice Lake and The Pas mining camps and other remote sections.

TAKE MEDICINE IN CAPSULE FORM

Gives Quicker Action—The Ideal Method for Home Treatment.

Why medicines in capsule form are best was recently explained by a medical authority as follows: "The object of taking medicines is to get quick results and also make the taking as easy as possible. The capsule form does this. The palate does not revolt at the gelatine coating, no matter how repellent to the taste are the drugs contained. The capsule also goes down the throat without inconvenience. "In the stomach the gelatine coating dissolves almost immediately and the medicines start work promptly. The capsule is far superior to the hard pill, which, especially if it has been exposed to the air, often passes through the system without being dissolved." A striking illustration of the effectiveness of capsule form medicine is given by Grip Fix, the remedy that relieves a cold in a night. This preparation contains Quinine Salol, Catechu Citrate, Caspara and Camphor Fonobromate, the drugs usually used by physicians for colds or Grippe. In capsule form they provide a reliable home treatment for colds which gives wonderfully quick results, just what is needed. Have a box of Grip Fix in the house at this season when colds are all around. Grip Fix is far superior to the hard pill, so effective or quick. On sale at all druggists at 25 cents per box.

JELlicoe ASKS BIG FLEET FOR PACIFIC AREA

Will Recommend Formidable Fleet For Eastern and Western Ocean Stations.

NEW YORK, Jan. 7.—A formidable British fleet in the Pacific and Indian Oceans will be recommended by Viscount Jellicoe when he returns to England and reports upon his tour of naval investigation of the British Dominions, according to authoritative information received here today.
