

Woodland Farm, Wednesday Morning

Dear Jane,

At last I've found a moment to answer your very welcome letter.

That's as far as I got, when I heard a terrible noise in the kitchen, and rushing in, found that Bobby had pulled a pan of boiling water off the stove and scalded himself badly. Just imagine!—and I ten miles from the nearest doctor and no one here to help! Thank goodness Tom has always insisted upon keeping Zam-Buk in the house. The poor little chap was in such awful pain it was all I could do to hold him while I plastered the Zam-Buk on his arm and leg. Then I bound them up with strips torn from an old sheet, and now he's actually asleep! Could you believe it? I always knew Zam-Buk was good stuff, but I'd no idea it was so wonderful for ending pain. Whatever should I have done without it!

This started out to be a letter, but it sounds more like a testimonial for Zam-Buk! I'll send it off anyway, because I want to ask if you'll please send me half a dozen boxes of Zam-Buk as soon as you get this, as I have only enough for one more dressing.

Yours in haste, Mary

Mothers! Take the hint! Never be without a box of Zam-Buk on the shelf. Not only for scalds, burns and cuts, but for eczema, ringworm, ulcers, blood-poisoning, piles, cold sores, etc. it is without equal. And it costs no more than ordinary ointments. 50c. box, all dealers.
