

Keep Baby's Woollens Soft and Sweet

Even little garments are dear now-you must make them last, and of course you want them always soft and comfy for the important wee person.

The little woollens need never shrink a thread-never stiffen or grow thick-not after repeated washings if you cleanse them in the pure, creamy Lux lather. It's so simple to whip the delicate Lux flakes into a rich suds-so simple to squeeze the suds through the little garments—then take them out absolutely sweet and clean and fresh.

Lux is on sale at all Grocers, Departmental Stores, &c. A handy little recipe booklet entitled, "The Care of Dainty Clothes" will be gladly sent free on request.

TRADES AND LABOR COUNCIL SUPPORT DRYDOCK WORKERS

Feel That 55c an Hour is Not a Living Wage and Increase Justified.

A delegation representing the laborers, helpers and steel workers at the drydock met the Trades and Labor Council last evening to ask the support of that body in their demands for increase of pay. The Council decided to go on record that 55c was not a living wage justified in seeking an increase.

The Painters UUnion is also seeking a raise, but, like the laborers, have decided to postpone any definite action till the questions among the management at the plant have been settled.
