

SAVE YOUR SIGHT

EYESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from ill, which, upon examination, can be traced directly to defective eyesight.

THE removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.

SUPREME COUNCIL DISCUSSES BALKANS

Constantinople to be Left With
Turks Is Opinion Given;
Adriatic and Greece
Also Considered.

(Special via G. T. P. Telegrams.)

PARIS, Jan. 13.—According to the opinion of persons in close touch with the conference of the premiers in session here now, in the settlement of the Turkish problem it has been already decided that the Turks be left in possession of Constantinople, probably with full sovereignty, but after important concessions have been made in the way of administrative reforms.

The three premiers, Clemenceau of France, Lloyd George of Great Britain, and Nitti of Italy, met again today in continuance of the conference on both the Adriatic and Turkish questions, and the latter is supposed to have been the uppermost in the deliberations.

So far as Greece is concerned, while the Greeks would prefer to see the Turks entirely ousted from Europe, they appear to be concentrating their efforts on securing Thrace as far as the Enos-Midia line, established after the second Balkan war as the Turco-Greek boundary.

CARVELL ISSUES PEREMPTORY ORDER

U. S. Railways Traversing Canada
Must Not Discount Canadian
Currency.

(Special via G. T. P. Telegrams.)

OTTAWA, Jan. 13.—The Hon. Frank B. Carvell, chairman of the Railway Commission, has peremptorily ordered the Michigan Central Railway Company to accept at par Canadian money on their sleepers and diners on those parts of their system which traverse Canada. Complaint has been made that Canadian money was being refused by officials.

PEACE PROCLAMATION WILL TERMINATE ORDERS

(Special via G. T. P. Telegrams.)

OTTAWA, Jan. 13.—The proclamation of peace is expected to be published within the next few days. There will then arise the question of the new orders in council still in existence under the provisions of the War Measures Act. The War Measures Act terminates when peace is officially proclaimed, but it is probable that steps will be taken to continue in force until Parliament assembles the provisions of the orders in council mentioned.

QUESTIONS LEGALITY OF MANY BY-ELECTIONS

(Special via G. T. P. Telegrams.)

OTTAWA, Jan. 13.—The legality of the election of Sir Henry Drayton, the Hon. S. F. Tolmie, the Hon. Mackenzie King and all others returned at the by-elections held since last summer is questionable in the opinion of Alexander Smith, K. C., of Ottawa who is an authority on election law.

SAYS LLOYD GEORGE TO FORM NEW PARTY

(Special via G. T. P. Telegrams.)

LONDON, Jan. 13.—The Daily Mail repeats the allegation that Lloyd George is attempting to secure his political future by the formation of a new party of which he would assume the leadership.
