IF you had a sore place and had to choose between two remedies, one of which went to the sore spot direct, and the other by a round-about way, which would you prefer? Undoubtedly, the one that gets there direct!

That is just the reason for people's preference for Peps for ailments of the throat, bronchial tubes and lungs. Peps gets there direct, because they are breathable, while remedies which are swallowed only go to the stomach.

Dissolve Peps in the mouth, and the vapor which is liberated is carried by the breath direct to the breathing passages and minute air cells of the lungs, destroying all germs, and soothing, healing, and strengthening the delicate membranes.

Once you try Peps you will never use any other remedy for coughs, colds, sore throat, bronchitis, tightness across the chest, night cough, laryngitis or asthma. All dealers 50c. box.

FREE TRIAL. Send this advertisement and 1c stamp (for return postage) to Peps Co., Toronto, and receive free trial package.
