New President of Board of Trade.

Stanley E. Parker is the new president of the Board of Trade and, judging from his activities as vice-president, he promises to be an active and effective head to a live organization.

The Board is really a civic organization here. In some places it represents only the business men and concerns itself with little beyond their particular problems.

Better Conditions With Population.

As the city grows we should get better social conditions in the place. The editor of The News again and again told Victorians during a recent visit that Prince Rupert produced just as much as did the capital city, yet Victoria is nearly ten times larger than Prince Rupert.

Effective Work of Ex-President McCaffery.

When M. P. McCaffery retired from the presidency of the Board of Trade last evening, a record of the work done for the year was read. It included a very large list of endeavors and much of the work has been effective.

Fishermen and Government Aid.

At the Board of Trade meeting last night J. W. Nicholls introduced a resolution which was passed asking the Dominion Government that similar aid be given to returned soldier fishermen as is given in the farming industry.

There seems to be no good reason why fishermen should not get as good treatment as farmers. Both industries are basic and both are serving the country equally well.

FREE OF TERRIBLE KIDNEY TROUBLE

After Three Years of Suffering, "FRUIT-A-TIVES" Brought Relief

MADAME HORMIDAS FOISY

624 Champlain St., Montreal.

"For three years, I was ill and exhausted and I suffered constantly from Kidney Trouble and Liver Disease. My health was miserable and nothing in the way of medicine did me any good.

I began to improve immediately and this wonderful fruit medicine entirely restored me to health. All the old pains, headaches, indigestion and constipation were relieved and once more I was well.

To all who suffer from Indigestion, Constipation, Rheumatic Pains or great Fatigue, I advise the use of "Fruit-a-tives."
