

NO PROFITEERING WITH ZAM-BUK

Before the war, Zam-Buk was 50c. a box. All during the war, when the cost of production was rapidly advancing, the price of Zam-Buk to the consumer remained the same. Now, with the war over, while some prices continue to soar, Zam-Buk is still 50c. a box! Not only so, but the same high standard of quality has been maintained throughout.

There has been no profiteering in regard to Zam-Buk. For every box you have bought, you have been asked to pay fair value only.

Is this method of doing business not worthy of recognition? Answer this question by continuing to recommend, to appreciate, and to use Zam-Buk—the greatest household healer of modern times.

Use it for all skin troubles, eczema, ringworm, abscesses, ulcers, boils, pimples, piles, blood-poisoning, chapped hands, cold sores, cuts, bruises, burns, scalds, etc.

All Dealers, 50c. Box.
