**Jail Accommodation
 For Detained Women.**

The activity of the Women's Auxiliary of the Central Labor Council in regard to jail accommodation for women deserves all praise. There is no proper accommodation here, and the suggestion that its provision is a matter for the provincial authorities is also wide of the mark. It is not the duty of the provincial authorities to provide a lockup for the city, although it is perhaps their duty to provide for those offering outside the city. At Victoria the provincial jail, a very costly and extensive establishment erected by the late government, was closed soon after the present government came into power, in order to save expense, and the city lockup is used there by the provincial authorities, the Government paying for the accommodation in each case.

There is great need here for a temporary lockup for female prisoners, and it is the duty of the city to provide it.

**Visiting Editors
 Should See District.**

Mention was made recently of the desirability of having the visiting editors come this way and see something of this part of the country. It now develops that the member for the district, Hon. T. D. Pattullo, has been busy in the interests of the place and he asks for co-operation here, which co-operation he is already receiving.

Naturally there is a tendency of the people of the southern part of the province to think that they are the whole show. They have already been informed, however that such is not the case. It might be well to bring even further pressure to bear to induce the visitors to come this way. It is very important that they see this district and that we get all the advertising that is coming to us. Such advertising cannot be purchased. It is invaluable.

**Will Come to
 Trial Very Soon.**

The Erb-Mullen case, involving a dispute over the control of the shipbuilding plant and drydock at this place, seems likely to come to trial in five or six weeks' time. It cannot be allowed to drag on long, for meanwhile the work is suffering. It must be impossible to carry on with good effect until the matter has been cleared up.

Naturally the sympathy of most people will go to the local board. While the matter is before the courts, it is impossible to make any comment further than to say that judging from the facts brought out at the chambers hearing, Mr. Erb did not live up to his agreements. He put practically no money into the concern but he expected to take handsome profits out. It was an example of high finance to which we are not accustomed. When the facts and figures were made public it took away the breath of the people here. It was astounding. That a man should be able to come here from New York, get fifty-one per cent of the interest in the local shipbuilding industry for practically nothing and then try to oust the man who organized the concern was beyond the understanding of the lay mind. Perhaps there will be other information come to light at the trial that will modify this opinion, but the sworn information modified by cross examination before Judge Murphy is certainly enlightening. There are many phases of this case that it is difficult to understand. In the meantime all we have to do is to wait for further information. It must occur to many, however, the people of Canada, who are financing this big work, should have some say as to its conduct.

**BECAME SO THIN
 SHE WAS AFRAID**

"FRUIT-A-TIVES" Made Her Well,
 Strong and Vigorous

MADAME ARTHUR BEAUCHER
 805 Cartier St., Montreal.

"I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headache, and was unable to sleep at night. I was getting so thin that I was frightened and saw several physicians who, however, did not seem able to help me.

At last a friend advised me to take 'Fruit-a-tives'. I did so and soon I felt some relief. I continued with 'Fruit-a-tives' and in a short time, the Constipation was banished, I felt no more pains or headache or the disagreeable sensations that follow dyspepsia. Now I am well, strong and vigorous."
