## INFLUENZA

Shall there be a repetition of the "FLU"? This question is asked daily of our leading physicians and cannot be answered. Throughout the east we are told of the rapid spreading of this deadly disease.

This city experienced an exceptionally severe run of this epidemic a little over a year ago. Common sense would dictate taking every reasonable precaution now.

## TO-DAY

In medicines, as in every other necessity, the public is satisfied with nothing but the best! This explains the ever-increasing demand for Zam-Buk. Not only is this great balm the best household remedy to-day, but it is also the most economical.

Zam-Buk's superiority is due to the fact that it is all medicine, containing none of the coarse animal fats or harsh mineral drugs found in ordinary ointments. Again, the medicinal properties are so highly concentrated that they contain the maximum amount of healing, soothing and antiseptic power, so that a little of this balm goes a long way.

Another reason why Zam-Buk is most economical. It will keep indefinitely and retain to the last its strength and purity. Best for skin diseases and injuries, blood-poisoning and piles. All dealers, 50c. box.

## JACK JOHNSON IS GETTING ATTENTION

Must Surrender Unconditionally If He is to Return.

Special via G. T. P. Telegrams.  
CHICAGO, Jan. 30.—The report that Jack Johnson would return to Chicago to "face the music" and do his term for the violation of the Mann Act, which drove him to act the role of "Wandering Jew," has created a widespread interest here.

Local authorities state through the district attorney that "unconditional surrender" is the only basis on which they will treat with the negro pugilist.

Johnson plans to return in order to fight Dempsey for the heavyweight championship of the world.

## STARTLING DISCOVERY UNDER FIRST AVENUE

Constable McDonald Found Some Live Ones in Among the "Dead Soldiers."

Constable ALEX McDonald on his rounds yesterday afternoon made a real discovery. Standing on the street watching some boys gathering bottles near the Grand View Hotel, First Ave., he spotted one that did not have the appearance of a "dead soldier." On examination, three bottles were found filled with 7 year old Rye Whiskey of Alberta origin. Needless to say the bottles now remain in the custody of the police. Some one will now mourn the discovery of his "cache" and the loss of his hard goods.
