

"THE MAGISTRATE" BY LOCAL AMATEURS

Play Which Will be Run Monday and Tuesday Nights Promises to be Good Entertainment.

The coming performance of "The Magistrate," by the Prince Rupert Dramatic Club, promises to be one of the best yet given by local "mummers," which is saying a good deal in view of the exceptional success and merit of previous efforts for which packed houses were secured. The cast for "The Magistrate" numbers sixteen characters and while most of the members, who performed in previous plays, are reappearing, several new numbers will be taking part in the coming production. Judging by their work at the rehearsals they seem likely to acquit themselves very successfully before the footlights.

In all departments painstaking preparation is being made for the presentation of a finished performance and a few hours of real enjoyment may be looked forward to. This is likely to be the last appearance of these entertainers for the present as J. Stewart Pudney's business engagements will make it impossible for him to continue the work of organization.

GEORGE BRYANT FAIR PRESIDENT

Directors of Agricultural Association Named Officers for 1920 Last Night.

At a meeting of the directors of the Northern B. C. Industrial Association held in the office on Fourth Street last night, the officers for the year 1920 were elected as follows:—

President, G. A. Bryant.
Vice-President, G. H. Munro.
Secretary-Treasurer (pro tem) D. McD. Hunter.
Directors—Martin O'Reilly, H. S. Wallace, Geo. D. Tite, E. R. Tabrum, Ben Self and A. Guttstein.

Directors appointed by the mayor, Aldermen Currie and Kerr. Committees for the year's arrangements will be named by the president in a short time.

TWO VICTORIA BOYS ON ALASKAN VOYAGE

Will Sail North to Alaskan Peninsula on Fur Expedition; Expected Here any Day.

The little three-ton gas boat Undine is expected to arrive here any day on one of the longest and most hazardous voyages ever attempted by a vessel of its size on this coast.

The Undine is navigated by two Victoria boys, Jack Chadwick and F. L. Cousins, who intend to trade with the Indians in furs and do a little shooting and trapping as well.

Originally constructed as an open fishing boat, the Undine has been remodelled and refitted by her new owners. A cabin has been built in and a new twenty horse power engine set up. Gasoline in sufficient quantities to bring the boat to Prince Rupert was stored away in her two tanks before leaving Victoria.

Both Chadwick and Cousins have had long experience in fur trading, and they do not propose to return south until they have loaded their boat down with as many pelts as it can carry. They will probably be in the north six months as the course laid out leads right up the coast to the Alaskan Peninsula. Many stops will be made en route.

"FULL OF PEP" FINE MELODRAMATIC LAY

"Full of Pep," the Metro play in which Hale Hamilton enacts the leading role, will be the feature at the Westholme Theatre tonight.

It is the story of Jimmy Baxter, a dynamic young American, who is commissioned to deliver a cargo of munitions to a South American republic. The country is in a state of rebellion and to get the cargo to its rightful owners demands some strategy.

Jimmy determines to pose as a patent medicine agent and with this idea in view puts several cases of "pep" in his cargo of weapons. How he smuggles the munitions into the country, quells the rebellion and falls in love with the dark-eyed daughter of the president are incidents which go to make a play of daring and romance that is reminiscent of the gripping stories of pirate days.

There are other features on the program. A Keystone comedy, "Walking the Dog," is one of them and there is also a B. C. Gazette.

JOSEPH LIKELY HUNGARIAN KING

Elections in that Country were Strongly Royalist; Communists Not Persecuted.

(Special via G. T. P. Telegraphs.) BUDAPEST, Feb. 3.—The trial of terrorists has begun here. Count Apponyi declares that the communists are not being persecuted. Only 27 extremists have been executed for murder to date although the communists were responsible for the deaths of several thousand persons.

The resignation of Archduke Joseph as king by the Hungarian Assembly is probable as a result of the recent elections at which there was a strong royalist vote.

"What Shall I Do Then With Jesus, Who Is Called Christ?"

Pilate's Question Is Yours To-day

THE Church is not impersonal. It is a company of individuals, each of whom has expressed determination to acknowledge Jesus as Lord and God, to accept His teachings and follow His example.

The Active Christians

Those who persist in the Way find their lives radiant with hope. They have an object in living. They are not plunged into hopeless misery by bereavement. They develop character. They learn contentment. Being themselves men of hope and good-will, they are centres of hope and good-will in the world.

The Inactive Christians

Not all continue faithful. Many neglect to keep the Pattern before them. They cease to pray. They forego public worship. They become only nominal Christians. Their sympathies are on the side of Right, but they miss the full-orbed peace that comes from being obedient to the Heavenly vision.

Aiding the Enemy

Apart from their own loss, lukewarm Christians do positive harm to the Faith. Enemies never cite the lives of notable Chris-

tians as a proof of the inefficiency of the Church, or of the Gospel it proclaims. If, therefore, all lukewarmness should disappear the critics of Christianity would be confounded.

Where Do You Stand?

You are a Christian. Are you ardent or careless? Are you whole-hearted or half-hearted? Do you realize that the Church in Canada faces unprecedented responsibilities? You believe that the Gospel of Christ is a perfect solvent of selfishness and class-hostility. Will you do your part to give it free course?

A Great Possibility

"Righteousness exalteth a nation, but sin is the reproach of any people." If all the Church Members of Canada would begin today to follow earnestly the principles enunciated by their Divine Master; if they would acknowledge their stewardship in full measure, the name of Canada would ring around the world. Therefore, the Question is to you:

"What shall I do then with Jesus, who is called Christ?"
