Breaded
Chops
Without Egg

Mrs. S. has given us a new
use for Pacific Milk—Breaded
Veal Chops and Cutlets.
She first dips the chop in Pa-
cific Milk and then in dried
bread crumbs, repeating till
sufficient quantity is adhering.
Cook in the usual way.
This saves eggs and Mrs. S.
says the chops are really much
nicer this way. Try them.

BIG PROGRESS PREDICTED FOR THIS DISTRICT

Review of Mineral Production for
1919 Was Satisfactory;
Decreased Production.

A preliminary review and esti-
mate of mineral production in the
year 1919 for British Columbia
has been prepared by Wm. Fleet
Robertson, provincial mineralog-
ist, and has just been released by
the King's Printer's office in Vic-
toria. The estimate is made be-
fore the official reports of the
resident engineers and gold com-
missioners of the province have
been received and is regarded
simply as a preliminary review
of the progress of the past year,
together with an estimate of the
quantities and value of the sev-
eral mineral products of the pro-
vince but it is believed that it will
prove to be approximately cor-
rect.

The report shows an estimated
mineral production to the value
of \$33,421,333 in the province,
being \$8,361,141 less than 1918.
The decrease in production, as
compared with the preceding
year, loses its adverse significance
when it is considered that the
1919 production is still material-
ly greater than that of any year
prior to 1916, and that the larger
productions of 1916-17-18 were
due to the stimulus of the war
and the inflated metal prices at-
tendant thereon. The decrease
is almost entirely due to copper,
the price of which immediately
fell on the signing of the armis-
tice.

Clothier's Report.

Resident Engineer George A.
Clothier, for this district reports
that the year 1919 has been a
crucial one for mining in the
north country, as many prop-
erties have been bonded, proven,
and will be shipping ore in the
near future. The year 1919 has
been one of extraordinary ac-
tivity and the outlook for this
year and the future are decidedly
promising. Salmon River (Stew-
art) and Kitsault River (Alice
Arm) have almost reached boom
proportions but the majority of
the properties are held by wealthy
companies who can go through
with developments and the gen-
eral public has not to any extent
risked its money. This year the
smaller operators may get in and
take advantage of properties
stocked for the purpose.

Less From Granby.

The output in the district for
1919 has fallen short of last year
due to the lessened production in
the Granby plant at Anyox, but,
as said before, this can by no
means be taken as an indication
of the falling off of the mining
industry. Gold and silver pro-
duction in the district have
shown an increase due to the ac-
tivities at the Dolly Varden (Alice
Arm), Premier (Stewart) and the
Surf Inlet mines.

The Bella Coala mining division
has shown very little activity dur-
ing the year although a few
claims have been staked. There
has been some staking of coal
and oil claims on the Queen Char-
lotte Islands besides small work
on some of the mines. A trip was
made by Mr. Clothier into the
Stikine Mining Division during
the summer. Quite a revival of
interest in that section and re-
newed activity is looked for this
year. In the Atlin district 1919
has been the dulllest year since
the camp started. This condition
was due to the lack of labor and
the increased cost of producing
gold.

PEOPLE DIE FROM SUBSTITUTE LIQUOR

(Special via G. T. P. Telegrams.)
CHICAGO, Feb. 5.—Over one
hundred victims lie seriously ill
or blind as a result of drinking a
substitute for booze and several
have died. A new epidemic of
bootlegging is responsible for the
trouble.

ANGLICAN CHURCH

Anglican Church will be held as
usual Sunday morning next. There
will be no evening service owing
to the absence of the rector, Rev.
Canon Rix.

Rev. Mr. W. E. Collison will
officiate at the morning service.
There will be no service at St.
Peter's Anglican Church, Seal
Cove on Sunday afternoon. 32

GREENVILLE IS ASKING HELP FOR NEW CHURCH

Large Building Proposed to be
Erected in Autumn by
Natives.

Following their progressive ac-
tion in installing of an up to date
electric lighting system for their
village, the people of Greenville,
on the Upper Naas are now con-
templating the erection of a new
church building the latter part of
this year. Already contributions
to the amount of \$3,347.50 have
been received, practically all the
Greenville people subscribing. Of
this amount \$700 was raised by
the Womens' Auxiliary.

According to the plans for the
new building, it will be 40 feet
wide by 90 feet long, which will
meet the needs of the Greenville
Indians for some time to come.
It is estimated that the cost of the
structure will be around \$10,000
and to defray this expense, assis-
tance is being asked from the peo-
ple of Prince Rupert, who have
the welfare of the Indians at heart.

Contributions for this purpose
should be sent to A. McKay, sec-
retary of the New Church Fund,
Greenville, Naas River, B.C., or
to His Grace the Archbishop of
Caledonia, Prince Rupert, B.C.

EXAMINATION FOR THE POSITION OF ASSISTANT FOREST RANGER.

The Department of Lands gives notice
of examinations of applicants for Assistant
Forest Ranger. The salary for the posi-
tion is \$110 per month and travelling ex-
penses are paid.

The period of employment will be for
the first season, with re-appointment next
year at \$120 per month, if services prove
satisfactory, and with the prospect of pro-
motion by merit to the permanent Forest
Service as occasion offers.

Returned Soldiers, with the necessary
qualifications will receive preference.

The examinations will be held at the
places and on the dates named below:

February 16-17	Vancouver
" 19	Nanaimo
" 19	McBride
" 20	Victoria
" 21	Prince George

designed to test the knowledge and ability
of applicants to perform the duties of
Assistant Forest Rangers. The examina-
tion will consist mainly of practical ques-
tions on logging, cruising, surveying,
forest protection, etc., but will also in-
clude questions to test the applicant's
ability to prepare reports. Physical ability
and good character are absolute require-
ments.

All statements made by applicants as to
experience, education and fitness are sub-
ject to verification by the Department. No
persons other than British subjects will
be permitted to take the examination. In-
tending applicants should notify the Chief
Forester, Victoria, or the District Forester
at Vancouver, Prince Rupert, Prince
George, Kamloops, Cranbrook or Nelson.

READY TO ORGANIZE FOR NATION'S GREATEST SUFFRAGE BATTLE

MRS. CATHERINE W.
McCULLOCH

MRS. R.D. CUNNINGHAM

MRS. GRACE WILBUR TROUT

MRS. JACOB BAUER

The representatives of more than two million women in all the States, who have fought for years for a fed-
eral amendment permitting them to vote, will meet next month in Chicago and organize themselves into the Na-
tional League of Women Voters. Extensive arrangements are being made for this centenary celebration of the
National American Woman Suffrage Association. The week of feminine activities, which will start on February 12,
will be both a celebration of the one hundredth anniversary of the birth of Susan B. Anthony and a memorial to
the late Dr. Anna Howard Shaw, for many years the national suffrage president. The above women are all active
in the celebration. Mrs. Grace W. Trout, of Chicago, is president of the Illinois Equal Suffrage Association; Mrs.
Jacob Bauer, of Chicago, is president of the Equal Suffrage Association; Mrs. Catherine Waugh McCulloch drafted
the Illinois Presidential Suffrage bill, and Mrs. R. D. Cunningham is president of the Political Equality League of
Evanston, Ill.

Where Words End, Music Begins

Words, in themselves, are but poor
interpreters of emotion. Where
words end, music begins. Where
words only suggest, music satisfies;
it utters with a clear, vibrant voice
what otherwise would remain
unuttered.

Music will allow you to express
your innermost thoughts and ideals.

But how, you ask, can you create this music since you are no
musician nor the master of any instrument?

The NEW EDISON

"The Phonograph with a Soul"

has stored up in its magic discs the music of the world's greatest
musicians—the soul-children of the music masters. And this music
The New Edison will RE-CREATE for you, in your own home,
exactly as you would hear it in the grand opera houses and the
famous concert halls.

You should read the beautiful book "Edison and Music"
and the booklet "What the Critics Say" containing
evidence that proves Edison superiority. Ask for copies
when you come to hear the New Edison.
