"VIRTUOUS VAMP" IS VERY FINE PICTURE

Everyone was pleased who at-
tended the Westholme Theatre
last night to see the big feature
film "The Virtuous Vamp," with
Constance Talmadge in the lead-
ing role.

The story is complicated and
the denouement unexpected. It is
one of the prettiest films that has
been shown here in many a day.
It is the feature again tonight.

The matter of the establish-
ment of a refinery for copper on
the coast was discussed last
night at the Board of Trade meet-
ing by J. B. Roerig, who gave
some cogent reasons why the
copper should be refined here in-
stead of being sent to the States
for treatment. He quoted au-
thorities as to its feasibility.

LAND REGISTRY ACT.

Re Application No. 11365-1. File 6274.
TAKE NOTICE that application has been
made to register David H. Hays, of Prince
Rupert, B. C., as owner in fee under a
tax Sale Deed from the Collector of the
City of Prince Rupert, bearing date the
23rd day of October, 1919, of ALL AND
SINGULAR that certain parcel or tract of
land and premises situate, lying and being
in the City of Prince Rupert, more par-
ticularly known and described as Lot
thirty (30), Block forty-two (42), Section
eight (8), (Map 923). You are re-
quired to contest the claim of the tax
purchaser within 35 days from the date
of the service of this notice (which may
be effected by publication in the Daily
News, Prince Rupert), and your attention
is called to section 36 of the "Land Regis-
try Act" with amendments, and to the
following extract therefrom:

"and in default of a caveat or cer-
tificate of his pendency being filed
before the registration as owner of the
person entitled under such tax
sale, all persons so served with
notice, and those claiming
through or under them, and all per-
sons claiming any interest in the
land by virtue of any unregistered
instrument, and all persons claim-
ing any interest in the land by
descent whose title is not registered
under the provisions of this Act,
shall be for ever estopped and de-
barred from setting up claim to or
in respect of the land so sold for
taxes, and the Registrar shall register
the person entitled under such tax
sale as owner of the land so sold
for taxes."

AND WHEREAS application has been
made for a Certificate of Indefeasible Title
to the above-mentioned lands, in the name
of David H. Hays.

AND WHEREAS on investigating the title
it appears that prior to the 10th day of
October, 1908 (the date on which the said
lands were sold for overdue taxes), you
were the Crown Granted owner thereof.

FURTHER TAKE NOTICE that at the
same time I shall effect registration in
pursuance of such application and issue
a Certificate of Indefeasible Title to the
said lands in the name of David H. Hays
unless you take and prosecute the proper
proceedings to establish your claim, if
any, to the said lands, or to prevent such
proposed action on my part.

Dated at the Land Registry Office, Prince
Rupert, B. C., this 7th day of November,
A. D. 1919.

VICTORIA DELEGATION EXPECTS STRONG SUPPORT FOR DISTRICT

(Continued From Page One.)

tion on the ground and the mat-
ter is now receiving the closest
attention of the Government.

Terrace Bridge.

8 Strong and forcible repre-
sentation was made by your dele-
gation for the construction of the
Terrace bridge with a view to
opening up some 100,000 acres of
good timber, agricultural and
horticultural land in the Lakelse
Valley, and many of the ministers
were privately interviewed with a
view to obtaining their individual
support. Everything possible was
done by your delegation with a
view to having this work under-
taken, and it was thought further
advisable that the town of Terrace
send a personal delegation to wait
upon the Premier—which action
has already been taken.

The outlook for securing this
construction is very promising,
and the Minister of Lands is do-
ing everything possible to assist.
9. An amount will be placed in
the estimates for a new ferry at
Usk, and a further additional ap-
propriation will also be placed for
development work in that district.

Road Out of City.

10. The construction of a road
leading from Prince Rupert to
Port Edward for extension beyond
was also ably represented by
your delegation, but on account
of lack of information nothing
definite could be obtained in this
respect. Before the Government
can commit themselves it will be
necessary for them to make a
careful survey of the road line
to the rapids with a view to locat-
ing a proper crossing, and they
will further have to get estimates
on the construction of a bridge.
The Minister of Lands has prom-
ised to have this attended to.

In the Matter of a Smelter

11. Your delegation had a very
agreeable interview with the Hon.
Mr. Sloan, Minister of Mines, who
gave us a very careful hearing
and who displayed the greatest
enthusiasm in the mining devel-
opment of this district. He thor-
oughly realizes the fact that his
Government should grant us every
assistance as we are primarily a
mining district, and with this
end in view he intends to come
north this summer and make a
personal survey of the entire dis-
trict with a view to determining
what our wants really are. Your
delegation made strong represen-
tation to him for a smelter to be
located at or near Prince Rupert
this spring—the central point of
the district. I submit a resolu-
tion which was forwarded south
to the Honorable the Premier last
night, copies having been sent
to all the ministers. In this con-
nection I may say that Mr. Cloth-
ier, the district mining engineer,
was given a copy of this petition,
which he forwarded south last
night with the strongest recom-
mendations that he could make.

Stewart Roads.

Representation was made to
the minister of mines relative to
improvement of roads in Stewart
mining district, and as the esti-
mates will carry certain reserva-
tions for this work we are assured
by him that every possible as-
sistance will be given in this re-
spect.

In closing, I think it but proper
that favorable comments should
be made on the untiring assis-
tance which the Minister of Lands
gave your delegation. He was
with us every time in strong sup-
port of every question raised, and
made it possible for us to get very
favorable interviews with other
ministers.

BIRTHDAY PARTY FOR MISS ELSIE SHAW

The home of Mr. and Mrs.
Fred Shaw, McBride Street, was
the scene of a happy party on
Tuesday evening. It was the oc-
casion of the twentieth birthday
of their daughter, Elsie, and a
few friends were present to cele-
brate the day. The evening was
spent playing cards and other
games were indulged in. The
party broke up about 1 in the
morning.

The petition of the City Council
to the Board of Railway Commis-
sioners asking for a free delivery
of express parcels here, was en-
dorsed by the Board of Trade at
their regular monthly meeting
last night.

At the meeting of the Board of
Trade last night G. C. Walker
was elected to be a member and
the resignation of J. F. Maguire
and C. Walsh were accepted.
