Peps will give you relief. Simply dissolve a Peps tablet in your mouth. Your breath carries the medicinal Pine vapor, which is released, to all parts of the throat, nasal and air passages, where a liquid medicine could not possibly reach. This vapor destroys all germs with which it comes in contact, soothes and heals the inflamed membranes and fortifies you against coughs, colds, sore throat, bronchitis and grippe. Peps contains absolutely no harmful drugs and are therefore the safest remedy for children.

BURNS LAKE

An informal dance with Mrs. O. Evensen as guest of honor, was held in the town hall on Saturday night last.

E. L. Woods, of Kamloops, was in Burns Lake last week and it is believed that he intends to return here to open up a drug store.

There are many traplines out in this district and good catches are reported. Heavy snowfalls in the country make travelling quite difficult at the present time. Among the trappers are Bib Hatch, J. Ryan, Paul Lindquist, Alex McGillivray, Harry McLean, Bob Bolan and Matt Bolan.

Robert and Mathew Bolan returned last Monday night from a two months sojourn in Seattle. They returned to their traplines at Tahatse Lake.

M. Howie Laidlaw, the first manager of the Burns Lake Trading Co., arrived in town last week. He has been away for some years and expressed himself as very pleased with the development of the place and its prospects for the future.

HAZELTON

Work was resumed on the long tunnel of the Silver Standard last Monday after a temporary shut down due to the cold weather. It is expected the tunnel will be in far enough so that the cold will make no difference when the next snap arrives.

Charles Bartheaux is still in bad shape as a result of the freezing of his limbs and it is not yet known whether amputation will have to be resorted to.

Miss Hunter arrived from Victoria last week to become acting assistant of the Hazelton Hospital during the absence of Miss Uren who is visiting Ladysmith in an effort to restore her health.

Miss Eric Richmond left Thursday morning for Vancouver to visit with Mr. and Mrs. D. McLeod Shaughnessy Heights.

Mrs. A. D. Chappell returned Wednesday from a visit to Vancouver.

Hays, of Prince Rupert, B.C., as owner in fee under a Tax Sale Deed from the Collector of the City of Prince Rupert, bearing date the 23rd day of October, 1919, of ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the City of Prince Rupert, more particularly known and described as Lot thirty (30), Block forty-two (42), Section eight (8), (Map 923). You are required to contest the claim of the tax purchaser within 35 days from the date of the service of this notice (which may be effected by publication in the Daily News, Prince Rupert), and your attention is called to section 36 of the "Land Registry Act" with amendments, and to the following extract therefrom:—

"and in default of a caveat or certificate of his pendency being filed before the registration as owner of the person entitled under such tax sale, all persons who served with notice, and those claiming through or under them, and all persons claiming any interest in the land by virtue of any unregistered instrument, and all persons claiming any interest in the land by descent whose title is not registered under the provisions of this Act, shall be forever estopped and debarred from setting up claim to or in respect of the land so sold for taxes, and the Registrar shall register the person entitled under such tax sale as owner of the land so sold for taxes."

AND WHEREAS application has been made for a Certificate of Indefeasible Title to the above-mentioned lands, in the name of David H. Hays.

FURTHER TAKE NOTICE that at the same time I shall effect registration in pursuance of such application and issue a Certificate of Indefeasible Title to the said lands in the name of David H. Hays unless you take and prosecute the proper proceedings to establish your claim, if any, to the said lands, or to prevent such proposed action on my part.

Dated at the Land Registry Office, Prince Rupert, B.C., this 7th day of November, A.D. 1919.

The Man in the Moon SAYS:

THAT there once was a frog that was very much puffed up with his own importance. And wanting to impress everyone else with the fact, he swelled up his fragile body to make people think that he was really bigger and stronger than he really was. Bigger and bigger, he swelled until at last he burst. Such was the fate of the silly frog.

THAT there once was a fly sitting on the wheel of a chariot, that fancied he made the vehicle go, but the horse did not know it was there.

THAT there once was an ass that put on a lion's skin, but his bray betrayed him.

THAT the people of old were clever at telling tales to show the danger of trying to be over important.

THAT even in these days it is often well to read the fables of Esop in order to learn lessons applicable to ourselves.

THAT this is all about nobody in particular.

THAT the play last night was a "hummer."

THAT the old Magistrate was a scream from start to finish.

THAT there was not a dull minute, except perhaps in the rather long intervals.

THAT a number of people who were there intend to go again tonight.

TELKWA

Mr. Cook, who has been with McRae & Griffin, has accepted a position as bookkeeper with Broughton, McNeill & Co. Mr. Watkinson, of the latter store, is leaving in a few days for the coast.

The Telkwa mill made its first cutting of lumber last Wednesday when 6,000 feet were turned out.

William Cox, who left here about two weeks ago to visit his sick uncle in Oregon, has fallen a victim to a very severe attack of pneumonia. Although the crisis has passed, he is still a very sick man.

Extensive developments on claims near here is anticipated, according to prospectors who have been in town lately. Alex. Chisholm, of the Big Four group, expects to strike ore before long and Joe Bussinger from Cronin's is very optimistic about development in that quarter.

H. Wearne, of the Soldier Settlement Board, is in the district inspecting settlements.

PRINCE GEORGE

The City Council last week passed a resolution asking an additional appropriation of \$50,000 under the Soldiers' Housing Act in addition to the \$26,000 already allotted to this city. There are on file at present at the city hall applications aggregating \$45,000.

The Windsor Hotel is being reopened by G. I. Loosen and Anton Rusty. The new proprietors are refurbishing and decorating the entire building.

The Great War Veterans Association here has decided to erect a building on the lots which it owns on Fourth Avenue, across from the Corliss Furniture Store.

The dance given by the Sunshine Society at the Ritz-Keifer Hall last Thursday night was a huge success. The dance was a benefit for a distressed family whose father died recently in the hospital.

Francis B. Chettleburgh has arrived here from Hazelton to open an office for the Rattenbury Lands Co. The company has taken over the old Bank of Montreal building which has been removed from Third Avenue to a lot near the Rex Theatre in George street.

Miss H. M. Gagne, whose brother resides in this city, has been appointed as the new matron for the Prince George hospital. Her appointment becomes effective in March 31. Miss Gagne has seen service in France as a nurse.
