SAVE YOUR SIGHT

EYESIGHT—The most valuable of
all the senses—is the most
neglected and the least understood.
Many suffer from ill, which, upon
examination, can be traced directly
to defective eyesight.
The removal of the cause will
often restore the delicate and
run-down sufferer to robust health.
When glasses are properly prescribed,
they restore the vision to normal
and eliminate all eye strain.

**Commissioner Declares Iron
County is in State
of Revolt.**

(Special via G. T. P. Telegraphs.)
CHICAGO, Feb. 23.—Declaring
"Iron County, Michigan, is in open
revolt" against the federal au-
thority, Major A. L. Dalrymple,
prohibition director for the cen-
tral states, telephones Washing-
ton asking that warrants be ob-
tained from Attorney General
Palmer for the arrest of the state
attorney of Iron County, two
deputy sheriffs, two police of-
ficers and three wealthy Italian
residents of Iron River.
Assistant Prohibition Director
Yalord at Washington, promises
to communicate with Palmer at
once.
Leo J. Grove, supervising pro-
hibition agent for northern Mich-
igan, was held up by Iron County
officials while seizing contraband
liquor and eleven barrels of con-
fiscated wine was taken from
him. The attack on Grove, who
was accompanied by three Mich-
igan state constables, was led by
State Attorney P. A. McDough of
Iron County, he said.

SMITHERS

George Oulton of Bulkley Flats
has received from R. C. W. Lett,
G. T. P. tourist and colonization
agent, a small sample of the new
hull-less oat that has recently
been developed by the Dominion
cerealists. The new seed will be
tried out at Mr. Oulton's ranch
and also in higher ground. The
experiment will be followed with
great interest by all farmers.

A credit to the town of Smith-
ers and a standing monument to
the enterprise of her citizens, the
town hall, is to be opened for-
mally on March 8 with a grand
ball. The new hall is most mod-
ern in regard to construction and
plan and it has the largest floor
space of any similar building be-
tween Prince Rupert and Edmon-
ton. It is a two-story building 90
by 36 feet and will be a general
purpose hall. It is well equipped
with dressing rooms and the floor
has been specially made with a
view to the use of the place as a
dance hall. There is also a com-
modious stage with all con-
veniences for the staging of mov-
ing pictures and stock companies
as well.

Although he is one of the oldest
settlers of the Lakes district,
having come into the country
over the old Cariboo trail, R. D.
Prosser made his first visit to
this place from Francois Lake
last week. Mr. Prosser is con-
fident that the coming summer will
see a stampede of settlers to the
lakes country.

The general borrowing bylaw
for the city amounting to \$50,000
was put through its second read-
ing at last night's council meet-
ing and passed.

PRINCE GEORGE

The G. W. V. A. club rooms
are becoming more popular every
day and many improvements are
being made. A piano has been
moved in much to the delight of
musical members. A letter rack
and notice board are also up so
that all business of the associa-
tion will in future be posted.

Large houses being drawn
along the roads from Fort George
and South Fort George are be-
coming commonplace sights.
Among the latest buildings to be
brought into Prince George are
the German, renamed Pioneer,
Bakery, the residence of J. R.
Campbell, the small house of P.
G. B. Bodeker, the Northern Lum-
ber Company's big barn and the
old "Tribune" office.

Hugh McKay, M. M., late of the
49th battalion, has been ap-
pointed deputy fire chief; E. J.
Lareville, also a returned man,
assistant engineer at the power
plant, and George W. Fenwick
has been appointed city clerk.

The Conservative Association
elected officers last Wednesday
and a vote of confidence was
passed in the work of the local
member, W. R. Ross. Dr. R. W.
Alward has been made president,
George E. McLaughlin, vice-pres-
ident, and Alex. Ogston, secretary.

W. A. Cameron, brakeman, and
Ralph Roman, conductor, on the
Canadian Northern were fined
\$400 and \$150 last Saturday by
Judge Robertson for having re-
ceived stolen property. W. P.
Ogilvie appeared for the crown
and P. E. Wilson and Alec Young
for the defence.

After an eight-weeks' tour of
the State of Washington, where
he secured many recruits for the
farming of land in this section of
British Columbia, John Hender-
son returned last week to Prince
George. Mr. Henderson was one
of the delegates to the Boards of
Trade convention at Vancouver.

**HOTEL IS OPENED
AT FRANCOIS LAKE**

**J. H. Keefe Has Provided Place of
Real Comfort for
Travelers.**

To cope with the heavy traffic
of land men he anticipates for
next summer as a result of the
natural development of the lakes
district, a development which will
be hastened in no small measure
by the carrying out of the pro-
gram for next summer announced
by the Provincial Land Settlement
Board, Mr. J. H. Keefe has just
completed a first class hotel at
Keefe's Landing, on the south
shore of Francois Lake.

This is the first hotel in the
lakes district and it is expected
the Francois Lake Hotel will serve
as headquarters for many land
men and fur buyers, who pre-
viously made hurried trips
through that district because
there was no hotel accommoda-
tion.

The Princess Mary arrived here

and left for Alaskan ports at 4
She had a few passengers for

Vaudeville

"VOIX DE VILLE" said Jean Chardavoine, a French musician;
and thus came into being three hundred and fifty years ago what
to-day we call "Vaudeville".

Vaudeville is the melting pot of the dramatic and musical arts.
In it nothing is out of place; it includes drama, comedy, tragedy,
farce and burlesque; and every form of music from grand opera to
jazz is heard upon its stage.

Every city has its favorite vaudeville house. But you—who live
at a distance from the great cities—can have vaudeville right in your
home, with—

The NEW EDISON
"The Phonograph with a Soul"

This marvellous instrument—that is every other instrument in
one—will RE-CREATE everything that vaudeville has to offer—the
entire magic of the theatre staged for your amusement and pleasure,
in your parlor or living room.

Why not let the New Edison bring this wonderful variety of
entertainment into your home?

"Edison and Music" is a beautiful book that you should have. Just
ask for it and "What the Critics Say" too—it proves Edison superiority.
