

Are Washdays Necessary in Winter?

There was a time, back in the days of stone hatchets, when woman was harder than she is today. A biting wind, damp air and slush underfoot did not so much endanger her then. But is this exposure necessary now? Is woman exercising her best judgment in hanging clothes on the line in winter weather? Is man showing chivalry when he permits it?

A simple and safe solution of this problem is to send your family washing to us—especially during these days while the weather-man is surly.

No washboards or heavy soaps are employed by us. We wash for you in the twentieth century way by letting soft water and billowy suds surge through the fabric. It is a laundering method that saves clothes.

So, also, is our ironing process. We give a charming lustre to your linens not with hot irons, but with special steam heated presses that protect the textiles.

Telephone us. Our driver will call at a definite time for your family bundle. At a definite time also he will return it. Our method saves you labor and protects you from the rigors of wind and weather.

REG'AR FELLERS

ODDFELLOWS' BANQUET WAS ENTHUSIASTIC

Appreciation Was Shown to Returned Men by Local Lodge and Rebekahs.

The banquet given by the Oddfellows last night to the returned soldier members was a very enthusiastic affair and full appreciation was shown by the seventy persons present to the men who have recently returned from serving overseas.

Shortly after 8 o'clock the guests sat down to a sumptuous banquet table prepared and provided by the Rebekahs. Noble Grand C. B. Chapman acted as toast master. After the toast to the King had been responded to in the usual way the toast to the returned men was proposed. It was responded to in suitable words by Frank Salter, A. J. Galland, Hugh Killen and G. Thompson.

During the course of the evening, songs were rendered by W. Vaughan Davies, Frank Morris and Rev. T. H. Nuttall. Will Edmunds pleased all with a delightful cello solo.

The affair was held in the K. of P. hall and after the banquet cards and dancing were indulged in. S. M. Newton was chairman of the committee in charge and was assisted by the members of the I. O. O. F. generally.

JABOUR BROS. ENLARGE STORE

Increased Business Forces Them to Provide Accommodation.

The steadily increasing business done by Jabour Bros. at their store on Third Ave. West, has forced them to enlarge the premises. They have taken in the store adjoining which was formerly used as a second hand furniture store, and thrown the both into one, enlarging the store by one third.

The addition is being utilized as a ladies' and children's shoe store and also for boys' clothing. It relieves the other sections and gives opportunity to display their large stock of ladies' wear to more advantage. As soon as the big store is complete it will have a very imposing and attractive appearance.

WHALEN PULP AND LUMBER MILLS ARE STILL GOING STRONG

There are 450 Men Employed—Increased Efficiency at Plant.

Operations are continuing in full force at the Whalen Mills at Swanson Bay. There are about 450 men employed at the plant and new improvements for increased efficiency are continually being put in. One of the latest innovations is a wood room where logs are culled and those that are not fit for lumber are sawed into cord wood lengths, barked and sent to the pulp mill. This eliminates the cutting of all logs as formerly.

The ferry service is now started in good order and is running smoothly. Yesterday the Queen replaced the Lorne in the towing service and will make the trips in about 24 hours. A donkey engine is used at Swanson Bay in transferring the empty cars from the slip to the loading platform.

SURPRISE PARTY NEAR SEAL COVE

Many Guests Storm Home of Mr. and Mrs. Darton and Spend Merry Evening.

A surprise party invaded the home of Mr. and Mrs. Darton on Fifth Ave., Seal Cove, last evening. A load went out on the bus from town and they were joined at the other end by a large contingent who burst in upon the host and hostess with a great clamor.

The large double living room was soon cleared and dancing was enjoyed by most of those present. For a few who preferred bridge, tables were provided and everyone spent a very merry evening. Supper was served by the visitors at midnight.

IN THE LETTER BOX

UNSANITARY CONDITION

To the Editor,—

Touching the report of the Health Inspector, as reported in your paper yesterday, the necessary work in cleaning up belongs to the Alaska Rooms, the property of Police Commissioner Hill, the St. James Hotel and St. Andrew's Hall and to the debris left by Steen & Longwill in the lane.

The Health Department has had a man three days cleaning up and he blames the condition on the Pacific Apartments. Three times I have forced him to act and each time there has been a threat to tear down the apartments. This is the first time, however, it has come before the City Council.
