CAPTURED BY CANNIBALS

Big Spectacular Film to be Shown at Westholme Theatre Tonight and Tomorrow.

The wonderful story of life among the savages of the south seas as pictured in "Cannibals of the South Seas" at the Westholme tonight, is one that should not be missed. It is not only thrilling and intensely interesting but also it is educative. No geography or descriptive book can tell of the people of that land like the pictures that will be shown.

The pictures show the picture man and his wife captured by cannibals. They also show the selection of brides for marriage, burying old people alive, ambushed by naked savages, the king with sixty wives, escaping from human animals, face to face with a man-eater, cannibalistic religious service, through a path of skulls and other thrilling events.

PIPE NOW LAID

Test Will be Made of New Span Across Shawatlans Passage.

The new line of pipe across Shawatlans Passage for the city waterworks is now laid. It still remains to connect the span up and test it with the water force. The city officials are very sanguine as to its success. The test will probably be made in the course of a week. Work has been going on for nearly three months on laying the piping along the bottom of the passage.

A MASTERFUL MAN

Is John Masters the Hero of the New World Picture, "The Rough Neck."

A masterful man is John Masters, the hero of the new World Picture, "The Rough Neck," which tonight will be shown at the Empress Theatre. He is not alone masterful in the lumber camp where he is first seen as the heavy-handed boss but also in the big city where he becomes the political leader after his father's death. Of course, the love romance of such a man is bound to be different, unusual love affair will interest all spectators. Montagu Love is starred in the role of Masters.
