Leaders Needed By Canada.

"The urgent need in Canada at present is a strong government under strong leaders, which may mean consultation of the people of the Dominion by means of a general election." So says the London Times. Conservative as that paper is, it recognizes that just now the Union Government is like a flock of sheep without a shepherd. Mr. Borden is ill with little hope of recovery, and there is no one to take his place.

It is easy to read into the editorial note of the London Times the suggestion that on the other side of the House is a leader, W. L. Mackenzie King, and that he will be the man who will step into the breach. He must, however, have the authorization of the people before he can take the position. The suggestion that Hon. Arthur Meighen or Sir Henry Drayton be chosen is simply a temporary arrangement until the appeal can be taken to the country.

Will There be Farmers' Machine?

Will the United Farmers organization develop into a big political machine? That is a question that a good many are asking. It is difficult to judge of the new movement from the brief despatches received, but it would seem that the United Farmers is at least a semi-political organization. If this is the case, would the Provincial Government be justified in making grants to a political organization? The institutes are being partly supported by public funds, but if the institutes amalgamate with the United Farmers and go into politics the grants could hardly be continued without making a public scandal.

Suppose the Farmers were to be returned to power and form a Government and their political organization be supported from public funds there would be an uproar immediately. That is the position that will be brought about if there is an amalgamation of the two farmers' organizations. The work of the institutes is educational and social, the work of the United Farmers is largely political.

Athletic Hall To Be Utilized.

After being idle for about eight years, except for a few days in the summer, the Agricultural building on Acropolis Hill is to be used by the citizens. Last night was the opening and a good crowd gathered to watch the basketball games. It was great to see the young boys fiercely contesting a game and then rush to the dressing rooms, there to stand under the warm water shower baths, rub down and come out feeling splendidly fit. Those who had been responsible for fitting up the rooms and organizing, felt amply repaid for the work they had done, even if the building were used only for the boys and girls to play in.

Public Spirit of Cup Donor.

The Gilhuly Cup was presented to the winning team last night and the boys from the dry dock are naturally proud of their silverware and especially of their prowess in winning it. Mr. Gilhuly is to be commended for his public spirit in presenting the cup. It is understood that he is to give another for a similar purpose in some other line of sport. These are the little things that help sport along.

SAVED FROM LIFELONG MISERY

And a Dangerous Operation, by Taking "FRUIT-A-TIVES"

MRS. M. J. GORSE

8928 Union St., Vancouver, B.C.
"I suffered with all the symptoms of Female Trouble, with chronic Constipation and constant Headaches. I had pains low down in the back and sides of the body. I tried various remedies without relief, and then put myself under a doctor's care and he advised me to have an operation. I refused.

Then, I started taking 'Fruit-a-tives'; and from the outset, I felt better, and this medicine has completely relieved me of all my misery and suffering. My weight was only 143 pounds and now it is 168 pounds. I am free of pain and headaches and the terrible Constipation; and what saved me from misery is the splendid fruit medicine, 'Fruit-a-tives'."
