

Are Washdays Necessary in Winter?

There was a time, back in the days of stone hatchets, when woman was harder than she is today. A biting wind, damp air and slush underfoot did not so much endanger her then.

But is this exposure necessary now? Is woman exercising her best judgment in hanging clothes on the line in winter weather? Is man showing chivalry when he permits it?

A simple and safe solution of this problem is to send your family washing to us—especially during these days while the weather-man is surly.

No washboards or heavy soaps are employed by us. We wash for you in the twentieth century way by letting soft water and billowy suds surge through the fabric. It is a laundering method that saves clothes.

So, also, is our ironing process. We give a charming lustre to your linens not with hot irons, but with special steam heated presses that protect the textiles.

Telephone us. Our driver will call at a definite time for your family bundle. At a definite time also he will return it. Our method saves you labor and protects you from the rigors of wind and weather.

"Send it to the Laundry"

Harry Hanson's Patent

Patent Office, Ottawa, January 27, 1920.

Sir,—I am directed to acknowledge receipt of your letter of the 17th inst. on the subject of Canadian patent No. 162632, granted to you on the 18th May, 1915, for a "Water Heater" and in reply to inform you that this patent was not made subject to the conditions of Section 44 of the Patent Act, (compulsory licence system) and is governed by Section 38 of the said Act, an extract from which I beg to enclose herewith.

I am also to inform you that the fee for the second six years term has not yet been paid, but it does not come due until the 18th May, 1921. The required amount is \$20.00 and a covering letter referring to the patent by date and number, and stating the purpose for which the remittance made is all that will be necessary.

I have the honour to be,

Your obedient servant,

(Signed) **W. J. LYNCH,**
Chief of the Patent Office.

Harry Hanson, Esq.,
139 Second Avenue,
Prince Rupert, B. C.

With regard to the above letter, I wish to say that as I have complied with section and paragraph 38 of the Patent Act, and therefore do not come under Section 44 of the said Act, and as I am equipped and willing to install, make and sell said "Water Heater" to any and everybody, therefore according to law can, and hereby do withdraw the privileges of others making these water heaters.

I am willing to negotiate for an agency to make my water heater, with anyone willing to pay the royalty of \$100 on each one installed on the distinct understanding that a year's guarantee goes with it.

FEBRUARY WAS RECORD MONTH FOR BUILDING

Value Was Greater Than Any
Former February—Totalled
\$27,710.

The building permits issued last month from the building inspector's office in the city hall show a big increase in erection of houses in the city. The permits issued total \$27,710 divided into \$8,985 for soldiers' houses and \$18,725 in general building. All the moneys allotted for the erection of houses for returned soldiers has been granted but there are several more permits to be issued for these houses.

As compared with other years the record for this month is highly satisfactory. The permits issued in February of other years is as follows: 1919, nil; 1918, nil; 1917, \$4,150; 1916, \$10,050; 1915, \$4,400; 1914, \$14,050; 1913, \$5,175; 1912, \$7,715. Eleven permits made up the value of buildings built here last month.

FISHING BOAT IS WRECKED ON WEST COAST OF ISLANDS

No Trace of Crew to be Found;
Evidently Engine Trouble was
Cause of Distress.

The gas boat "Golden West" was found on February 19 wrecked and ashore at Ingraham Bay on the west coast of Queen Charlotte Islands. No trace of the crew has been found and the engine was in a dismantled condition with the cylinder head gone. Judging from appearances it would seem that engine trouble had been experienced and the boat had been driven ashore. The matter has been reported to the Seattle police, the boat being of American registry at Seattle.

SURVIVOR OF KARLUK WEDDED IN VICTORIA

Chief Engineer of the Newington
Marries Miss Maude Owen;
Will Live at Digby Island.

A wedding ceremony of local interest was celebrated at Victoria last Tuesday when John Munro, son of Captain John Munro of Argyshire, Scotland, chief engineer of the lighthouse tender Newington, and Maude Ethel, daughter of the late Mr. and Mrs. James Kennedy Owen, of Toronto, were united in marriage by Rev. J. Gibson Inkster, pastor of the First Presbyterian Church.

The honeymoon is being spent in Seattle. On their return to Victoria Mr. and Mrs. Owen will reside for a short time there, later intending to come north to Digby Island.

One of the most famous of the polar expeditions is recalled by this wedding, the bridegroom having been chief engineer on the ill-fated Karluk, the vessel which left Victoria in the summer of 1913 with the Stefansson exploration party, and was ultimately lost in the ice of the Arctic. Mr. Munro was one of the party who were marooned on Wrangel and went through trying experiences before being rescued. When he returned to civilization the war was on and he immediately volunteered for navy service. He served four and a half years as lieutenant engineer on H. M. S. Patucka and saw service in the Mediterranean and North Sea, returning to the Pacific coast after the signing of the armistice.

D. S. Cameron leaves for Victoria on Thursday night to attend the convention of the B. C. Federation of Labor.

CONSTANCE TALMADGE
"HAPPINESS A LA MODE"

At the Westholme Tonight.

"HAPPINESS A LA MODE" AT WETHOLME THEATRE

Constance Talmadge is to be seen here tonight at the Westholme Theatre in "Happiness a la Mode." This is one of Miss Talmadge's latest and most popular photoplays and is interesting from the raising of the curtain until the final scene.

As an actress Constance Talmadge ranks very high, vying with Marguerite Clark, Anita Stewart and Mary Pickford for first honors. There are many picture fans who never miss one of her films.

The Drows are shown in "System is Everything," a comedy that is very funny. Also there is a one-reel farce "The Family Peach," and the regular British-Canadian Pathe Gazette.

TERRACE

The pupils of the Terrace School were vaccinated on Monday last in accordance with the requirement recently issued from the Provincial health office. The doctor also visited Usk where he inoculated the children.

A petition has been sent by the residents of Kitsumkalum to the member for the district at Ottawa, Colonel Peck, asking for the putting in of a station and siding at Kitsumkalum, two miles west of Terrace. The petition is to be delivered by the member to the Railway Commission. The petition states that two-thirds of the produce in the district could be more conveniently handled there than at Terrace station. Ralph Heppell and S. C. Weeks circulated the petition.

The weather here is showing all signs of an early spring. The snow is mostly all gone from the side hills.

A new residence is being built for W. C. Sparkes adjacent to the school house.

A new drainage project, the plans for which are almost perfected, is about to commence. The proposed drain will commence near the recreation grounds and will continue for one and a half miles along a natural watercourse. The work will be divided into small sections and tenders will be called for each section. The land that will be opened up will amount to approximately 400 acres.

The following were the prize winners at the Valentines masquerade held by the Progress Club: Representative costumes, Robert Henwood and Mrs. Boud; best dressed lady, Mrs. Waite as Valentine; best dressed man, Geo. Minchin as Kiltie; ladies' comic, Mrs. Vanderlip as a negress; gentlemen's comic, B. O. Andrews, clown.

TENDERS FOR DREDGING

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for dredging, Metlakatla Bar," will be received until 12 o'clock noon, Thursday, March 18, 1920, for dredging required at Metlakatla Bar near Prince Rupert, B. C.

Tenders will not be considered unless made on the forms supplied by the Department, and according to the conditions set forth therein. Combined specification and form of tender can be obtained on application to the Secretary, Department of Public Works, Ottawa, to the offices of the district engineers at Prince Rupert and New Westminster, B. C.

Tenders must include towing of the plant to and from the work. The dredge and other plant intended to be used on the work shall have been registered in Canada at the time of the filing of the tender with the Department. Contractors must be ready to begin work within seven days after date of notification of the acceptance of their tender. Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Minister of Public Works, for the cost of the tender price, but no cheque for less than fifteen hundred dollars. War Loan Bonds of the Dominion will also be accepted as security, or War Bonds and cheques if required to make up an odd amount. By order, R. C. DESROCHERS, Secretary.

Department of Public Works,
Ottawa, February 18, 1920.

MINERAL ACT

Certificate of Improvements.

NOTICE

"Copper Crest" Mineral Claim, situate in the Naas River Mining Division of Cassiar District.

Where located:—Glacier Creek, Granby Bay.

TAKE NOTICE that I, B. L. Johnson, Free Miner's Certificate No. 81762-B, intend, sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements, for the purpose of obtaining a Crown Grant of the above claim. And further take notice that action, under section 85 must be commenced before the expiration of such Certificate of Improvements.

Dated this 11th day of December, A. D. 1919.

LAND ACT

(Form No. 9.)

FORM OF NOTICE.

PRINCE RUPERT LAND DISTRICT.
DISTRICT OF CASSIAR.

TAKE NOTICE that Lenora Mabel Smith, of Duncan, British Columbia, occupation spinner, intends to apply for permission to purchase the following described lands: Commencing at a post planted at the South West and only South corner of Lot 434 (Portland Canal) Cassiar District, Province of British Columbia; South 52 degrees 06 minutes East, three thousand feet thence; North 34 degrees 54 minutes East, two thousand one hundred and fifty feet more or less thence; North 55 degrees 06 minutes West, two thousand five hundred and fifty feet more or less thence; North 85 degrees 55 minutes West, four hundred feet thence; South following high water line to point of commencement. Approximate area one hundred and forty-four acres, more or less.

LENORA MABEL SMITH,
by her agent, A. A. Forsyth.
Date 5th January, 1920.

FOREST RANGERS

An examination for Rangers in the Forest Branch of the Lands Department will be held in the Court House, Prince Rupert, on March 3rd, 1920. The examination will be partly written and partly oral. The questions will be mainly on logging, cruising, surveying, forest protection, etc., but will also test candidates' ability to prepare reports. Physical ability and good character are absolute requirements.

Candidates must be British Subjects, resident in Canada for at least one year and not more than 50 years of age. Initial salary \$1,500.00 per annum. Returned soldiers, with the necessary qualifications will receive preference. Applications to take examination will be received up to the day of examination by the District Forester, Prince Rupert, from whom application forms may be obtained. All statements made by applicants as to experience, education and fitness are subject to verification by Examination Board.
