WOULD STOP USE OF STOOL PIGEONS

Executive Writes Letter to Police Commission—Endorsed at Last Night's Meeting.

The following letter has been sent by the local branch of the Great War Veterans' Association to the Police Commission regarding the use of "stool pigeons" in recent police court cases:

"I am instructed to inform you that the executive board of this branch of the Great War Veterans Association, at their last meeting unanimously decided to lodge a protest with you regarding the using of returned soldiers as stool pigeons and request the discontinuation of same.

It is pointed out that, owing to the nature and severity of the service rendered by some men, their mental balance has not been all that could be desired since their return and it is felt that to employ such men in this capacity is not in keeping with the best interests of the community."

PRINCE RUPERT READY FOR HER SUMMER RUN

Will Replace Prince George Tonight, Sailing for South at Midnight—George to Dock.

At 9 o'clock this morning with a final blast of its siren, the Prince Rupert pulled out of the local shipyard. She took on oil at the Imperial Oil Dock and is now moored at Shed No. 2, G. T. P. docks. She will resume the coast run tonight when she leaves at midnight for the south. This afternoon the big three-stacker is loading on supplies of provisions and equipment which was brought up on the George yesterday.

The Prince Rupert is now in excellent condition for the hard summer's run which is ahead of her and has been repaired and painted up from stem to stern. The Prince George will tomorrow enter the yards for badly needed repairs. On the arrival of the George from Anyox at 7:30 both big liners will be tied up at the G. T. P. docks, a sight which has not been seen here for some years.

LAND REGISTRY ACT.

(Sections 36 and 134.)

Re Application No. 11365-1. File 6274.
TAKE NOTICE that application has been made to register David H. Hays, of Prince Rupert, B. C., as owner in fee under a Tax Sale Deed from the Collector of the City of Prince Rupert, bearing date the 23rd day of October, 1919, of ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the City of Prince Rupert, more particularly known and described as Lot thirty (30), Block forty-two (42), Section eight (8), (Map 923). You are required to contest the claim of the tax purchaser within 35 days from the date of the service of this notice (which may be effected by publication in the Daily News, Prince Rupert), and your attention is called to section 36 of the "Land Registry Act" with amendments, and to the following extract therefrom:—

"and in default of a caveat or certificate of his pendens being filed before the registration as owner of the person entitled under such tax sale, all persons so served with notice, and those claiming through or under them, and all persons claiming any interest in the land by virtue of any unregistered instrument, and all persons claiming any interest in the land by descent whose title is not registered under the provisions of this Act, shall be forever estopped and debarred from setting up claim to or in respect of the land so sold for taxes, and the Registrar shall register the person entitled under such tax sale as owner of the land so sold for taxes."

FURTHER TAKE NOTICE that at the same time I shall effect registration in pursuance of such application and issue a Certificate of Indefeasible Title to the said lands in the name of David H. NO PROFITEERING WITH ZAM-BUK

Before the war, Zam-Buk was 50c. a box. All during the war, when the cost of production was rapidly advancing, the price of Zam-Buk to the consumer remained the same. Now, with the war over, while some prices continue to soar, Zam-Buk is still 50c. a box! Not only so, but the same high standard of quality has been maintained throughout.

There has been no profiteering in regard to Zam-Buk. For every box you have bought, you have been asked to pay fair value only.

Is this method of doing business not worthy of recognition? Answer this question by continuing to recommend, to appreciate, and to use Zam-Buk—the greatest household healer of modern times.

Use it for all skin troubles, eczema, ringworm, abscesses, ulcers, boils, pimples, piles, blood-poisoning, chapped hands, cold sores, cuts, bruises, burns, scalds, etc.

All Dealers, 50c. Box.

"HEART O' THE HILLS" IS A GREAT PICTURE

Mary Pickford in a Humorous Role With Sad Moments Intermingled.

Mary Pickford in "Heart o' the Hills" at the Westholme last night was really great. The play was humorous almost throughout and yet full of human interest with flashes of tragedy and with touches of sadness. It is a story of the Kentucky Hills and people who have been to those parts declare that it is absolutely true to life.

Last night there was not a vacant seat for the first performance and the general verdict was that Mary Pickford as an actress still holds the lead in the movie world.

The picture is one of the latest, the last to be produced by Mary Pickford under her own direction. She has since taken part in a big picture with a number of other stars, but that is the only one that is later than "Heart o' the Hills."

The same play is on again tonight and doubtless the crowd attending will be just as large as last night.
