# MODERATIONIST MEETING HELD

Resolution Passed Asking New Law for Protection of Personal Liberty.

VANCOUVER, March 6.—Demonstrating the intention of supporting the efforts of the Moderation League, a mass meeting last night unanimously passed a resolution calling on the Government to enact a law better to protect the liberty of the subject and maintain their rights as free men and women. This was done after Sir Charles Hibbert Tupper had declared that no government or other body of men had any right to take away the personal liberty of the British subject or to dictate what he shall eat or drink. Sir Charles declared the men here behind the Prohibition Act had not the courage of their convictions, as they had in the United States. There neither rich nor poor could keep liquor in the house, but here the Government held in the hollow of its hand only the poor man who had no money and no cellar.

## Sport Briefs

Frank Goddard, the English heavyweight, who defeated the American fighter Eddie McGoorty in the 13th round of a bout held in the Holborn Stadium on Friday last, is a big, heavy, unimaginative man. He is not a clever boxer but he can hit hard and take almost any amount of punishment. He is a very plucky fighter and in the absence of any outstanding genius among English heavyweights, is very nearly, if not quite, the best English big man at present. In a fight with

## LAND REGISTRY ACT.

(Sections 36 and 134.)

Re Application No. 11365-1. File 6274.  
TAKE NOTICE that application has been made to register David H. Hays, of Prince Rupert, B. C., as owner in fee under a Tax Sale Deed from the Collector of the City of Prince Rupert, bearing date the 23rd day of October, 1919, of ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the City of Prince Rupert, more particularly known and described as Lot thirty (30), Block forty-two (42), Section eight (8), (Map 923). You are required to contest the claim of the tax purchaser within 35 days from the date of the service of this notice (which may be effected by publication in the Daily News, Prince Rupert), and your attention is called to section 36 of the "Land Registry Act" with amendments, and to the following extract therefrom:—  
"and in default of a caveat or certificate of its pendency being filed before the registration as owner of the person entitled under such tax sale, all persons so served with notice, and those claiming through or under them, and all persons claiming any interest in the land by descent whose title is not registered under the provisions of this Act, shall be forever estopped and debarred from setting up a claim to or in respect of the land so sold for taxes, and the Registrar shall register the person entitled under such tax sale as owner of the land so sold for taxes."

AND WHEREAS application has been made for a Certificate of Indefeasible Title to the above-mentioned lands, in the name of David H. Hays.

AND WHEREAS on investigating the title it appears that prior to the 10th day of October, 1908 (the date on which the said lands were sold for overdue taxes), you were the Crown Granted owner thereof.

FURTHER TAKE NOTICE that at the same time I shall effect registration in pursuance of such application and issue a Certificate of Indefeasible Title to the said lands in the name of David H. Hays unless you take and prosecute the proper proceedings to establish your claim, if any, to the said lands, or to prevent such proposed action on my part.  
Dated at the Land Registry Office, Prince Rupert, B. C., this 7th day of November, A. D. 1919.

District Registrar of Titles.

Les Coghill at the National Sporting Club some time ago Goddard confirmed these views. Coghill is a hard fighter and in the first round he put down Goddard for the count of six. Goddard, however, must be knocked out completely, for when he got up he fought harder than ever, and at the end of the tornado of blows was finally successful. Coghill was continually knocked down but until the fifth round he always got up and fought on.

Chairman James G. Merriek, of the Canadian Olympic Committee, has received the official program and rules governing ice hockey at the Seventh Olympic Games to be held at Antwerp. The official dates of the games are from Tuesday, April 20, to Friday, April 30, the entries closing on March 19. The rules of the games, with a few minor exceptions, have been adopted from those which governed the Ontario Hockey Association seven or eight years ago. The teams are allowed seven a side and the Canadian puck and stick will be used. The ice surface, on which the games are to be played at Antwerp measures 182 feet long and 58½ feet wide.

"Newsy" Lalonde, of the Montreal Canadiens, has been forced from first place to third among the leading scorers of the National Hockey Association as a result of the compilation of the averages at the commencement of the last half of the second half of the eastern series. Joe Malone, with nine goals, is leader, while Cully Wilson, of St. Pats., moves into second place, by virtue of his points, eight of which he gained in one game. Sprague Cleghorn, of Ottawa, Jack Darragh, of Ottawa, and Arbor, of the Canadiens are tied with Lalonde for third place honors.

With Vancouver practically assured of first place in the Pacific Coast Hockey race, interest will now centre on the play-off for the championship of Canada between the winners in the National League series and the coast. Ottawa is the eastern champion city this year and the coasters will go east. Although the games are not played at home, interest nevertheless will be just as keen on the coast. After the hard games played through the winter and the keen rivalry between Victoria, Seattle and the champs for the Pacific coast honors all the coast will now be backed up behind Vancouver in the hope and desire to bring the world's championship to the Pacific coast. It is to be hoped that the players are not so unfortunate at this year's play-off as they were last year when the games had to be cancelled.

President Hermann, of the Cincinnati Reds, has made the announcement that there will be no change in the regular roster of the Reds this year. This statement was made by Hermann in response to a report that had been going the rounds that Manager McGraw, of the New York Giants, had offered to trade "Pepp" Young for Eddie Roush and Larry Kopf. Hermann is highly satisfied with last year's victorious aggregation and is going to leave well enough alone. The Reds are now in training at Miami under Manager Moran.
