Synopsis of Land Act Amendments

Minimum price of first-class land
reduced to \$5 an acre; second-class to
\$3 an acre.

Unsurveyed new confined to sur-
veyed lands only.

Records will be granted covering only
land suitable for agricultural purposes
and which is non-timber land.

Partnership pre-emptions abolished,
but parties of not more than four may
arrange for adjacent pre-emptions
with joint residence, but each making
necessary improvements on respective
claims.

Pre-emptors must occupy claims for
five years and make improvements to
value of \$10 per acre, including clear-
ing and cultivation of at least 5 acres
before receiving Crown Grant.

Where pre-emptor in occupation not
less than 3 years, and has made pro-
portionate improvements, he may, be-
cause of ill-health, or other cause, be
granted intermediate certificate of im-
provement and transfer his claim.

Records without permanent resi-
dence may be issued, provided appli-
cant makes improvements to extent of
\$500 per annum and records same each
year. Failure to make improvements
or record same will operate as for-
feiture. Title cannot be obtained in
less than 5 years, and improvements
of \$10.00 per acre, including 5 acres
cleared and cultivated, and residence
of at least 2 years are required.

Pre-emptor holding Crown grant
may record another pre-emption, if he
requires land in conjunction with his
farm, without actual occupation, pro-
vided statutory improvements made
and residence maintained on Crown
granted land.

Unsurveyed areas, not exceeding 20
acres, may be leased as homesteads,
title to be obtained after fulfilling resi-
dential and improvement conditions.

For grazing and industrial purposes
areas exceeding 640 acres may be
leased by one person or company.

Mill, factory or industrial sites on
timber land not exceeding 40 acres
may be purchased; conditions include
payment of stumpage.

Natural hay meadows inaccessible
by existing roads may be purchased
conditional upon construction of a road
to them. Rebate of one-half of cost of
road, not exceeding half of purchase
price, is made.

PRE-EMPTORS' FREE GRANTS

ACT.

The scope of this Act is enlarged to
include all persons joining and serv-
ing with His Majesty's Forces. The
time within which the heirs or devisees
of a deceased pre-emptor may apply
for title under this Act is extended
from one year from the death of
such person, as formerly, until one
year after the conclusion of the present
war. This privilege is also made re-
troactive.

No fees relating to pre-emptions are
due or payable by soldiers on pre-
emptions recorded after June 26, 1918.

Taxes are remitted for five years.

Provision for return of moneys ac-
crued, due and been paid since August
4, 1914, on account of payments for
taxes on soldiers' pre-emptions.

Interest on agreements to purchase
town or city lots held by members of
Allied Forces, or dependents, acquired
direct or indirect, remitted from en-
listment to March 31, 1920.

SUB-PURCHASERS OF CROWN

LANDS.

Provision made for issuance of
Crown grants to sub-purchasers of
Crown Lands, acquiring rights from
purchasers who failed to complete
purchase, involving forfeiture, on ful-
fillment of conditions of purchase, in-
terest and taxes. Where sub-purchas-
ers do not claim whole of original par-
cel, purchase price due and taxes may
be distributed proportionately over
whole area. Applications must be
made by May 1, 1920.

development of livestock industry pro-
vided for grazing districts and range
administration under Commissioner.

lished owners. Stock-owners may
