Bring Football Team to Canada.

It is to be hoped that some arrangement will be made by Con. Jones to bring an Old Country football team to this country. He is now in Scotland offering inducements to the Scottish teams and if he fails there he will try to get an English aggregation.

Everyone would like to have one of the first class old country teams come here. They may not visit Prince Rupert, although, even that is not impossible. The visitors would doubtless be able to show the Canadians a good many things, and it is possible that they may learn something from Canada. At any rate we should get to know each other better and old country sportsmen would take a great interest on this side the pond.

Vote for Indians Radical Measure.

The despatch received yesterday in regard to enfranchisement of Indians was read with great interest. The Indian population in this constituency is large and many of the men are of a high type. The details of the measure will be awaited with a great deal of interest. There are still some old natives who are scarcely in touch with modern conditions sufficient to make them intelligent voters. On the other hand many of the younger generation are better educated and more intelligent than many white men.

What will be of interest will be to what extent the Indians are to be made free citizens of the Dominion. If they are to be given their own lands with power to dispose of them and to act in every way as full fledged citizens, the tendency will be for the reservations to be broken up and more intermingling of the races to take place.

Tax Rate Increase Seems Very Large.

An increase in the tax rate to the extent of over eleven mills this year is rather a startler. It is partly due to the reduction in the assessment, something that a large section of the ratepayers were clamoring for. It will be for ratepayers to decide now to what extent this tax rate shall change in future. There are a lot of things needed, but the money must be found if we are to enjoy luxuries. The assessment is something that will make the people think seriously, and watch well every move made.

Will Alvensleben Come to Canada?

Will von Alvensleben be allowed to come to Canada? We do not think so, nor do we think it wise he should. He might get into trouble. People here have not forgotten the statement alleged to have been made by him that the Kaiser had appointed him governor of British Columbia.

If Alvensleben is a British subject and allowed to cross the line it is to be hoped that he will be arraigned for treason. We want no men here who are ready to turn on the country when opportunity offers. We want men who if need be will fight for Canada and stick by her in peace and in war.

RHEUMATISM FOR OVER 16 YEARS

No Return Of The Trouble Since Taking "Fruit-a-lives"

103 CHURCH ST., MONTREAL.
"I was a great sufferer from Rheumatism for over 16 years. I consulted specialists; took medicine; used lotions; but nothing did me good. Then I began to use "Fruit-a-lives", and in 15 days the pain was easier and the Rheumatism much better. Gradually, "Fruit-a-lives" overcame my Rheumatism; and now, for five years, I have had no return of the trouble. I cordially recommend this fruit medicine to all sufferers."
