SICK LEAVE IS ALLOWED

Officials of City on Salary Will Get Ten Days With Pay Per Annum.

After much discussion at last night's council meeting a report from the Public Utilities Committee recommending that all civic employees paid by monthly salary be allowed ten days' sick leave without deduction of pay per year was adopted. To this recommendation was added an amendment reserving the right of the city to call for a doctor's certificate if deemed necessary. Those voting against the report and amendment were Aldermen Rochester and McLennan.

Alderman Perry, chairman of the utilities committee, told how the necessity for some such legislation had arisen over cases in the telephone department. Alderman Perry in his motion for adoption was seconded by Alderman Kerr.

Alderman Rochester considered the adoption of the report would be a retrograde step. It was time to meet trouble when trouble arose. There was no reason why such free legislation should be made with city money when the same methods would not be employed in private business. The advertising of this sickness business would not be good for the city. If employees got sick there would, usually, be extenuating circumstances. Sickness insurance could always be obtained to cover absence from work. If this was done for one it should be done for all.

All the aldermen spoke for or against the report and it was finally adopted by a 6-2 division.

OVERHEAD CROSSING PLANNED FOR COW BAY

Provincial Government is Applying to Railway Commission for Permission to Erect Such.

Notice of application by the Minister of Public Works, Provincial Government, to the Railway Commission regarding the erection of an overhead railroad crossing at Cow Bay was read at last night's council meeting. It was explained by Alderman Dybhavn that the Provincial Government had changes in view to making a more accessible road to the Provincial Government wharf by way of Cow Bay.

The mayor drew attention to the fact that the proposed new roadway might block the entrance to Cow Bay for civic purposes. After some looking over plans and discussion the matter was left over for a week.
