# Scientists and Meanest Disease

**Colds Weaken the System and Pave the Way for Flu.**

There is nothing that will sour your temper quicker than a cold in the head. Most people will sniffle and cough until they become sick enough to see a doctor who in nearly every case prescribes standard remedies and drugs for a cure. The standard prescription which has been used by physicians successfully for many years is now put up in capsule form under the name of Grip-Fix. The exact formula is on every box and the makers of Grip-Fix invite you to submit it to your family physician for his approval. When you notice the first symptoms of a cold coming on take two Grip-Fix capsules according to the directions on the box. If these directions are followed to the letter your cold will be relieved in a night. A good plan is to always keep a box of Grip-Fix in your house. You are always in danger of colds and when you have Grip-Fix with you, you can feel immune. It is easy to cure if taken at the start. There is nothing more foolish than to let a cold "run its course." Grip-Fix may be obtained at any drug store at 35 cents a box. Be sure to remember the name and to avoid substitutes. There is no real substitute for Grip-Fix.

of Lakelse Lake then placed on barges and towed to the mouth of Granite creek, a mile and a half below the Lakelse Hotel. The hatchery is located up Granite creek to which a graded road leads from the lake shore. On completion, the hatchery will have a capacity of 10,000,000 salmon fry and a staff of about six men will be required to operate it. The old hatchery at Lakelse Lake has been entirely abandoned.

This city has secured an additional vote of \$25,000 for the soldiers' housing scheme here. This is slightly in excess of the per capita grant but the government deemed that the great demand warranted it being advanced.

Mayor Perry is arranging with the Vancouver City Library for a public library here of 2,000 volumes with four changes a year. The cost to the city will be \$250.

The proposed road from Jasper Park through Yellowhead Pass and around Mount Robson is being discussed a good deal around this town. It is claimed that such a road would make a tourists' "Mecca" of Robson Park with the natural headquarters, Prince George.

At the annual meeting of the Prince George Co-operative Association held last week the affairs of the Association were reported to be in flourishing condition. It was shown that the association's grocery store, selling at a discount of 5 per cent. of market prices to members, had paid all organizing and operating expenses. The following were elected officers for the year: President, C. W. Moore; Secretary-Treasurer, Wm. Somerton; Directors, John McInnis, Alex. Wimbles, W. T. Coil, Geo. Carruthers, R. Andrews, F.
