Canadian Film Had Remarkable Run in New York and Other Centres.

"Back to God's Country," the Canadian play featuring the Victoria girl Nell Shipman, had a wonderful run at Madison Theatre, Detroit; Garden Theatre, Washington; New York, and other theatres. It is the great picture of the Canadian northland.

One of the scenes shows Delores the naked swimming girl of the north woods, pure as chrystal waters of the cold mountain streams into which she plunges. Only the wild folk of the forest who know and love her, see her. But she was caught unaware. In this picture the nude is artistic, not rude:

Sixteen varieties of wild animals are seen and most of the scenes were photographed in the lice fields of the Arctic, north of the 56th paralled where the temperature was 60 degrees below

Anyone interested in the unusual in pictures should see this

The above represents the number of years spent in fruitless efforts to cure a bad case of eczema with ordinary ointments, compared with the time it took Zam-Buk to effect a complete and permanent cure.

This was the experience of Mr. H. C. Buckley of 461 East Broadway, Portland, Ore. Writing to the Zam-Buk Co., he says: "For fifteen years I suffered with a bad case of eczema, and used all kinds of so-called "cures" and treatments, but nothing was capable of curing me until I tried Zam-Buk. This wonderful balm, however, completely cured me in less than a year, and not only so, but I have had no return of the disease. I strongly recommend Zam-Buk to anyone afflicted as I was."

This is but one of the hundreds of cases where Zam-Buk has effected a cure when everything else failed. The reason is easily explained. Zam-Buk being unusually refined-containing absolutely no animal fats or mineral drugs such as are contained in ordinary ointments-is capable of penetrating to the underlying tissues where skin diseases have their roots. Ordinary ointments, on the contrary, never get beyond the surface skin and so are incapable of effecting permanent cures.

Zam-Buk is just as good for salt rheum, ringworm, boils, ulcers, abscesses, blood-poisoning, piles, cuts, burns, scalds and all skin injuries. All druggists or Zam-Buk Co., Toronto. 50c. box,
