The Old vs. the New Revelation.

(Continued from Page Three)

Gilead, a possession of theirs held by the king of Syria. They consulted four hundred prophets of Baal as to whether they should do it; their answer was "go up for the God shall deliver it unto the hand of the King." Jehoshaphat asked for the advice of a prophet of God. One was brought who said to them: "Hear thou therefore the word of the Lord: I saw the Lord sitting on his throne, and all the hosts of Heaven standing by him on his right hand and on his left. And the Lord said, who shall persuade Ahab, that he may go up and fall at Raymoth-Gilead? And one said in this manner, and another said on that manner. And there came forth a spirit, and stood before the Lord, and said, I will persuade him. And the Lord said unto him, wherewith? And he said, I will go forth, and be a lying spirit in the mouth of all his prophets. And he said, thou shalt persuade him, and prevail also. Go forth, and do so." And that is how the four hundred false prophets were duped. I can see nothing to hinder those cold-blooded lying or mischievous spirits from fooling the mediums of the Spiritualists.
