GOD'S COUNTRY IS IN THE WILDS

That is Where Dolores, the Hero-
ine of the Film Story
Wishes to be.

The story "Back to God's Country" was shown last night to a packed house and everyone was delighted, not so much at the plot as at the setting and byplay, the scenery and the animals that are almost always present. It is a unique production.

The story is divided into two parts. In the first there is a love story in which the girl gets married to the man she loves after many adventures. That is com-
monplace enough. The girl is the daughter of a man who lives with her alone in the wilds, and the girl's playmates are the bears, the deer, the panthers, the lynx, the porcupine, the squirrels, and many other animals but especially the bear cubs. These fascinating little creatures are funny beyond measure. They provide the com-
edy feature for the story.

Dolores is a good swimmer. On one occasion she is caught by a miscreant when swimming in a pool in the garb that nature gave her. This is where the real plot begins and it would be too bad to spoil the story for those who go tonight by telling about it. Enough to say that it is a Canadian picture and one not to be missed.

Sport Briefs

The fishing season commences legally today. Now the fishermen may seek the different haunts with an easy conscience, sure of the fact that no one can pull them up for law breaking. Some of the local piscators went out last Sunday with suspicious looking pack-
ages and clothes and surely could not have been going halibut fish-
ing. However, those who did take the chance an dwent out a few days ahead of time may now rest at ease.

Those who have not already gone out fishing have, at least, been preparing. Attics and corners have given forth their rods, lines and hooks and hardware windows have been filled with tempting contrivances for the un-
doing of the wily trout. Lake Khtada will soon begin to receive its summer visitors, trains will carry their week end anglers to Mile 21 and such local points as Lost Lake, Shawatlans Lake, Woodworth Lake, Cloyah Bay and

Colds May Lead To Spanish 'Flu

Check the Cold and You may
Ward off the 'Flu--Grip-
Fix Does the Trick.

When you get that first wretched feeling of feverish aching and you say to your-
self that you're going to have a cold—
watch out! That very minute is the time
to break it up. It may be a cold or it
may be a case of influenza. At any rate
don't take a chance but get right after
it. If it is 'flu you have a proper start
towards recovery when you begin to allay
the symptoms. If it is just a cold it is
just as important to check it, because the
cold might leave you weakened and ready
for more serious disease.

Take Grip-Fix, the remedy that has
knocked more colds than any other pre-
scription in the past few years. Grip-Fix
is compounded of just the drugs any
physician will use to break up the condi-
tions that are typical of colds. The
formula is plainly printed on every box.
Grip-Fix is an honest remedy. Show it
to your family doctor and ask him what
he thinks about the efficiency of the in-
gredients.

There is no substitute for Grip-Fix. It
is the original death-to-colds formula. Get
it at any drug store for 35 cents the box.
Always sold in capsule form.

McNicholl Creek will again be-
come popular outing places.

The members of the Selkirk
hockey team of Calgary who re-
cently toured the west as far as
Victoria are now playing at Re-
gina. On their return to Calgary
the boys were delayed 25 hours
due to a snowslide at Sicamous.
While there a couple of them
hired a skiff canoe and had a nar-
row escape from drowning. While
about 150 yards from the shore
one of the oars slipped and the
boat overturned, the hockey stars
plunging into the ice cold water
where they remained ten minutes
before being rescued.

Major T. F. Elmitt, D. S. O., of
Ottawa, has been appointed ad-
jutant of the Canadian rifle team
to take part in the National Rifle
Association matches at Bisley,
England, in July. The teams sail
from Canada about June 19. Ar-
rangements will also be made for
the entry of a team for the Bel-
gian Olympic games, which take
place from July 22 to 31. The
executive committee of the Do-
minion of Canada Rifle Associa-
tion held a meeting in Ottawa re-
cently when the program was de-
cided upon. A program commit-
tee was appointed to prepare a
prize list for the annual matches
which are to be held in Ottawa
during the week commencing
August 16, and prizes to the value
of \$16,000 will be offered besides
valuable trophies.

Net Neff, who will meet Harry
Anderson next Wednesday in a
15-round boxing contest for the
championship of the Northwest,
has already entered into stiff
training. Every evening he works
out at the Trail Club and he hopes
to be in the best of form on the
night of the contest. This will
be Chet's first fifteen round bout
for some time, the most of his
last year's fights being to ten
rounds. Although he is very con-
fident of the result of the fight,
many local fans say he is going
to have his work cut out when he
meets Anderson.

During 1919 Chet Neff knocked
out Ted Sloan, Leon Boden, Jean
Watson, and Johnny Myers. He
won from Jean Watson, Joe Mc-
Curk, Frankie Tucker, Tommy
Carter, Young Brown, Otto Wal-
lace, Billie Capelli, Jake Stahl, Al
McManus, Solly Freeman, Lee
Morrissey and Jake Stahl. Draws
were fought with Young Brown,
Billy Alvarez, Eddie Shannon,
Tommy Carter, and Otto Wallace.
His defeaters were Jean Watson
and Allie Mack. Neff won the
southwest championship from
Otto Wallace last September at
Miami, Arizona, in a 10-round
fight.

Roy Clothier arrived in town
yesterday en route to Stewart.

kept on using it when it
