

Keeping the pores open and
CLEANSED with Lifebuoy
means a healthy skin.

The Tonic Bath

It is decidedly a gain to find a soap that makes the bath a refreshing delight. It is decidedly a boon to find in that soap a health bringer as well. That is the double benefit you gain with

LIFEBUOY HEALTH SOAP

To a soap base of the utmost purity we add a gentle disinfectant agent that makes the skin "glow with health". The healing, copious lather of Lifebuoy thoroughly cleanses the pores and leaves them disinfected and sweet.

The mild Lifebuoy odour quickly
vanishes after use. All grocers
sell Lifebuoy.

DISCUSS PAVING OF CITY STREETS

Committee of Board of Trade Met
Works Committee of Council
Last Night.

Last night a committee of the Board of Trade consisting of President Parker, J. H. Pillsbury, M. P. McCaffery and H. F. Pullen, met the Works Committee of the City Council in the engineer's office and discussed with them the possibility of laying permanent paving on the busier streets of the city. The Works Committee consisted of Aldermen Currie, Kerr, Casey and Rochester.

The whole situation was canvassed and it finally came out that the only difficulty in the way was one of finance. At present the city has power to work under a local improvement scheme by which the property owners pay for the improvements on a frontage basis. As the whole city would benefit from the improvements it was felt that this would not be just, especially as the taxes in Section 4 are already at the breaking point.

Mayor Vetoes Plan.

Alderman Casey explained that the Board of Works, of which he was chairman, last year ordered a letter sent to the municipal inspector at Victoria suggesting a plan for making a single local improvement district of the whole city and asking for his approval. This letter was never sent. The committee wondered why a reply had not been received, but it was not until recently that it came out that the mayor had vetoed the letter. It was on business connected with this financing that the mayor was now in Victoria, but they did not expect to get any action this year as it was too late to get a special bill through the Legislature.

Engineer Clements said he was opposed to putting down permanent streets until after the new sewer system was installed. In answer to a question he admitted that it must be several years before that was done. He thought a good macadam surfacing would answer the purpose.

Differing Methods.

J. H. Pillsbury thought a roadway up the centre of the streets wide enough for two teams to pass would answer the purpose and the sewer and other pipes could then be laid on the sides or in the lanes. He and the engineer discussed different kinds of roads and road material but no progress was made as finance was the one thing in the way.

At the conclusion of the conference the chairman of the committee thanked the Board of Trade for the interest they were taking in this matter, and the president of the Board expressed appreciation of the courtesy they had received from the committee and said he thought the conference had not been altogether without benefit. The work the city propose to do would at any rate be valuable preparatory to a paving scheme.

NEW MINISTER SPOKE BEFORE CORNER CLUB

Addressed Gathering of Nearly
Sixty on Friendship—Games
and Refreshments.

About fifty-five members of the Corner Club assembled in the Baptist Church social hall last night to hear an address by Rev. James Dunlop, the new minister, on "Friendship." Mr. Dunlop, who is an interesting speaker, covered the subject in an able manner and emphasized the necessity for careful selection of one's friends.

Mrs. J. P. Wright sang a solo which was loudly applauded. Following this, games were played and after appetizing refreshments had been served the party broke up after one of the most successful evenings of the season.

T. H. Johnson and J. F. Maguire have been delegated by the Board of Trade as members of the War Memorial Committee. Besides these, Alderman Murray, Alderman Casey, Dr. McNeill, J. W. Nicholls, James Campbell, W. A. Mathieson and D. S. Cameron comprise the committee.

Miss Crowe, of the Anyox Hospital staff, was a passenger south on the Rupert Saturday night. Miss Crowe had the misfortune to lose her sister in the recent Seattle hotel fire.

Safeguard Your Roof

THE roof is an important item—it "makes" or "mars" the whole structure. In shingle-roofed houses it is even more necessary to see that it is in good regular repair, because once a roof commences to decay a general deterioration of house-value is the immediate result.

To ensure a permanent durability, as well as an added appearance, use

B-H Shingle Stain

either as a mixture in which shingles are dipped or as a stain to apply to the completed roof.

It comes in all colors, and gives a tough, durable "seasoning," besides contributing largely to the artistic effect of your home.

Like every other B-H product, the B-H Shingle Stain is first choice among people who know good paint.

FIRST EVENT IN NEW DANCE HALL

Crowd of 120 Were Present at
Delightful Private Party
Last Night.

A most enjoyable dance and party was held last evening in the new Killas hall on Third Ave. The affair, which was the first one to be held in the new hall, was got up by Mrs. H. L. Roberson. The hall which is spacious and well appointed, proved an excellent place for dancing and every one of the 120 guests were thoroughly pleased.

For those who did not dance, card tables were provided and at midnight refreshments were served. Gray's Orchestra provided the music, which was excellent as ever. It was well after midnight when the happy guests departed homewards.

SESSUE HAYAKAWA IN SPLENDID FILM

It was a fine film shown last night at the Westholme and to be repeated tonight in which the famous Japanese actor Sessue Hayakawa was seen to advantage. This actor is a great favorite with movie audiences. He is the one big Japanese actor of the world and his work is the equal of anything done in any part of the world.

At the Empress the serial "The Tiger's Trail" is running its second episode with a synopsis of the first.
