John McGraw, manager of the New York Giants, as has already been stated, was presented some weeks ago by a fond admirer in San Antonio with a young live wild cat, which was captured somewhere down near the Mexican border.

Bulky Rugs Washed for you

Laundering heavy rag and washable rugs at home is slow work, especially in these uncertain spring days when the right sort of drying weather is so seldom available.

In five minutes, you can pack up half this heavy work of housecleaning, and have us do it expertly for you in our modern way.

Then, too, your floor and bath mats, which soil so quickly, probably need washing. You can send them along also.

Let us lighten this toilsome work, and at the same time help you make your home brighter with old rugs washed to look like new.

Have our driver call for your bundle. Telephone today.

The Man in the Moon SAYS:-

THAT the man who makes nasty remarks about his neighbor is usually the one who has not yet been found out.

THAT the pre-millinery sales were said to be a great success. The men who paid the bills, or who yet have to, are proud of the ability of their wives to spend money on head gear.

THAT if it is true that men never have a good time except when they are being separated from their money, they should have enjoyed themselves pretty well last week.

THAT Ontario is after a real "bone dry" law.

THAT the bones in this province are not very dry.

THAT the people who are dry do not stay dry long if they have the price.

THAT one of the latest descriptions of a ball dress was that its cut was V in front and C behind.

LLOYD GEORGE LEAVES

LONDON, April 9.—David Lloyd George, British Prime Minister, will leave for San Remo, Italy, on Saturday for the coming session of the Peace Conference.

George Clothier, the district mining engineer, returned from Victoria yesterday afternoon after having spent several months in the office of the Department of Mines at Victoria.

NEW HAZELTON MINES ACTIVE

Much Development is Proceeding and Good Ore Found at Several Properties.

NEW HAZELTON, April 9.—There are persistent rumors here to the effect that the American Boy mine is to resume operations on a much larger scale than before. This has always been looked on as a good property and development is expected to commence before long.

At the Silver Standard Number 1 vein at a depth of 125 feet widened out in the north drift to a thickness of five feet in good milling ore with several streaks of shipping ore. This is the first work done on this vein. It is being tapped by a long tunnel and may develop into a big vein. Other veins will be tapped by the same tunnel at from 200 to 250 feet.

Work has started on the Erie mine on Four Mile Mountain across the river from New Hazelton. The contract has been let for a 150-ft. crosscut tunnel to connect with a shaft sunk several years ago.

One Nine Mile Mountain the American Smelting and Refining Co. have sunk a shaft 30 feet in good ore all the way.

The owners of the Delta property on Rocher deBoule Mountain have a gang of men working on a tunnel contract. They have encountered pockets of ore although still 250 feet from their objective.

To clear up a misunderstanding among the boxing fans in New York and various American cities, it is officially confirmed that Jimmie Wilde, bantamweight champion of England, will meet the Zulu Kid at Windsor, Ont., on Tuesday night. Bobbie Eber, of Hamilton, will fight Yankee Delaney on the same night.

Counterfeiting being under a closed season for good, the easiest way to make money is to become some kind of a champion. If the river of gold continues to trickle through the sport world, fathers will soon be raising their sons to become sport kings instead of bankers or plumbers. Perhaps in the near future to provide against the rush of feathered nest seekers athletic universities will be giving degrees to fighters, wrestlers, ball players, etc. The modern ring gladiators salt their dough. Jess Willard owns a flock of farms; Benny Leonard and Johnny Kilbane are reported to have half a million bank accounts. The wrestlers, too, get a key to the mint when they get near the top. Joe Stecher says he can make \$100,000 a year. Jim Londos, the Greek wrestler, has a string of restaurants. The same with other champions in different lines. Season by season the dollar sign has been growing on sport and truly it must be good business.
