At any rate she says that all
her cooking is done with Pacific

LIVING COST IS DISCUSSED

Rouse of Commons Talks But
Sheds no Light on the
Problem.

(Special via G. T. P. Telegraphs.)
OTTAWA, April 14.—The
House of Commons witnessed a
curious debate yesterday, the
subject matter being a resolution
by Dr. Deslauriers of St. Mary's,
Montreal, who in effect asked that
because it had failed to improve
the cost of living, the Board of
Commerce should be abolished.
When he took the floor, however,
there was criticism and defense
of the farmer but scarcely any
mention of the Board of Com-
merce.

Dr. Deslauriers proposed that
in place of the Board of Com-
merce there should be a board
consisting of the premier, a rep-
resentative of labor and two mem-
bers of charity organizations.

Alphonse Verville of St. Denis,
Montreal, would have price regu-
lating legislation introduced and
profiteers punished. Later he
also suggested hanging profiteers.
("Hear, hear.")

Further contributors criticised
the demands of labor. J. F. Fa-
ford thought the eight-hour day
was a factor in increasing the
cost of living. Joseph D'Anjou
of Ramouski said that workmen
wanted to work as little as pos-
sible.

Eventually the resolution was
declared lost and the House in
committee took up the Franchise
Bill.

RAILWAYMEN'S PENSION CLAIM

Matter Will Come Before Arbi-
trators in Grand Trunk Deal.

(Special via U. T. P. Telegraphs.)
OTTAWA, April 14.—A lengthy
discussion took place in the
House of Commons on a motion
by Colonel J. A. Currie that the
Grand Trunk arbitrators should
take into consideration as a debt
of the company the amount re-
quired to restore the pension
status of the men penalized for
taking part in any strikes.

The minister of justice replied
that the men's claims respecting
pensions would be submitted to
the Board of Arbitration and
every facility given to press it as
a liability of the company.

On this assurance the Colonel
withdrew his motion.

"GIRLS" IS GREAT COMEDY FEATURE

Comedy is rampant in the new
Paramount picture, "Girls," star-
ring charming and dainty little
Marguerite Clark, which will be
shown at the Westholme tonight.

One of the delightful situations
in the film is that confronting a
young man who has fallen hope-
lessly in love with a beautiful
girl, and is seeking admittance to
her home that he might woo her.
But his beloved is living under
the impression that she is a man-
hater, having been jilted in her
younger days and having sworn a
hatred of all men, has hung above
her door a sign reading, "No man
shall cross this threshold."

Such a glaring defiance might
have intimidated most young men,
but not Edgar Holt. He is a

young lawyer and a man who
perseveres. He simply goes
around to another room across
the courtyard, crawls across a
suspended shutter and enters her
window. Thus he gains admis-
sion into her presence without
crossing the threshold. And he
wins the girl too.

Sport Briefs

According to Major Anthony J.
Biddle, who recently boxed two
rounds with Georges Carpentier,
the Frenchman is a marvellous
boxer, with a style that is a cross
between Packey McFarland and
Frank Erne. "Carpentier's foot-
work and ducking make it almost
impossible to land on him solid-
ly," said the Philadelphia sports-
man, who has sparred with many
of the leading professionals. Ma-
jor Biddle believes that the
Frenchman's speed on foot will
puzzle even Jack Dempsey, as fast
as the champion is both with his
feet and hands. That Carpentier's
style is most impressive is en-
phased by the fact that not one
of the Frenchman's critics have
been able to pick a flaw in his
technique.

The Manitoba Football Associa-
tion, at its annual meeting last
Thursday night, expressed unani-
mous disapproval of the way in
which the Dominion Football As-
sociation is handling the football
situation in British Columbia.
The D. F. A. was censured for
"unconstitutionally" admitting
membership of the British Colu-
mbia Provincial Football Associa-
tion, a non-existent body, in-
stead of the British Columbia
Football Association. Withdrawal
from the Dominion body is threat-
ened by the Manitoba Association
if an effort is not made in the
next thirty days to remedy what
the resolution terms "the wrong
done the cause of soccer in Cana-
da generally and in British Colu-
mbia in particular."
