COMPENSATION FOR INJURIES QUEBEC RIOTS

Ottawa Cabinet Will Consider the Matter—Papers to be Produced.

(Special by G. T. P. Telegrams.)
OTTAWA, April 15.—Echoes of Quebec riots of 1918 and charges and counter charges regarding campaign funds were heard in the House of Commons yesterday. George Parent of Quebec raised the question of the riots on the point of compensation for "innocent victims" who "were either killed or wounded by soldiers of His Majesty."

Parent claimed that newspaper reports of resistance offered to conscription officers were greatly exaggerated and publication of such reports had influenced the Government to use military force. He read letters in which soldiers were accused of looting and of insulting priests who had gone out to minister to injured and dying.

Mr. Parent submitted a motion for the production of papers. Following the debate Hon. C. J. Doherty, minister of Justice, announced that there was no objection to the production of papers, and the motion passed.

Mr. Doherty proceeded further to say that cabinet consideration would be given to the question of compensation.

PEOPLE DECIDE LIQUOR PROBLEM

Provincial Legislature Will Cause a Plebiscite to be Taken in August or September.

Provision for the taking of a referendum on the prohibition issue is contained in a bill presented to the legislature under the title of "An Act to Provide for a Temperance Plebiscite," the second reading of which was unanimously passed in the legislature last Saturday afternoon. The bill gives effect to the announcement recently made by Attorney-General Farris that the plebiscite would be held during the coming fall.

Under the provisions of the bill it is provided that the vote be taken not earlier than August 1 or later than September 30, and if no date is fixed by proclamation, the date shall be August 14. The vote will be taken on the new list which will be prepared under the Provincial Elections Act which is at present before the house. Exact setting of the referendum date will depend on when this list will be completed.

The question which it is proposed to put before the people will be as follows:
"Which do you prefer?
"The present Prohibition Act,

or
"An act to provide for Government control and sale in sealed packages of spirituous and malt liquors."

The government expresses in the preamble the doubt as to whether the electors are satisfied with the present prohibition enactment. It also emphasizes the need for the support of public opinion behind a prohibition law and the desirability of the plebiscite in the public interests.

IMMORTALITY IS QUESTION OF AGES

Communication With Dead is Subject of Big Griffiths Picture.

The story to be told tonight in picture at the Westholme Theatre based on spirit communication, is a wonderfully interesting one. It is a Griffiths production and that in itself should be sufficient guarantee that it is of great excellence. It is a poignant drama, but it contains hilarious comedy, stern tragedy, love and life.

At 9 p.m. the concert will commence. There are two leading artists, Miss Mary Izard of Victoria, and Mrs. Dalby Morkill. Miss Izard's playing pleased so many people on Sunday night that a packed house is assured tonight to hear this concert and to see the big picture.

Come and see the youngest actors on the stage in "Captain Rackett."

PREPARING FOR RUSH OF CANNING SEASON

Many Boats are Fitting Out at Cow Bay to Take Advantage of Demand for Salmon.

The government float at Cow Bay is now a hive of small fishing boats fitting out for the rush of the salmon fishing season which will commence in a short time. The craft are being fitted out with salmon trolls and already some of them have been out and taken their first catches. Indications would go to show that more persons than ever will be taking to sea for the harvest of salmon to supply the ever increasing demands of the many canneries in the district.

It is reported that the Inverness Cannery, which was recently destroyed by fire, will be rebuilt by June 15 to start the canning of the sockeye run.

SAVE YOUR SIGHT

EYESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from it, which, upon examination, can be traced directly to defective eyesight.

THE removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.
