SPIRITS WERE BURIED AT SEA

Last Rites Solemnized by Commissioner Jones, Purchasing Agent Brooksbank and Police Officers.

Spirits in bottles, spirits in flasks, spirits in barrels, spirits in cans! With a jolt to the spirit world and a sigh from the toppers, various and sundry spirits, strong and weak, harmful and harmless, cheap and expensive, were alike consigned to the depths of the harbor this morning to further, add to its well known flavor. Such was the sight that was witnessed by passers-by along the waterfront when the burial at sea was conducted with Commissioner Myhill-Jones officiating, Purchasing Agent Brooksbank administering, and various members of the police department presiding at the last rites.

Their names were various and their conditions were many and their characters doubtful. Among the disguises noticed in the obituary were Peter Dawson's Old Curio, Hennessey's Three Star Cognac, Johnnie Walker's Black Label, Sanderson's Glen Leith, G. & W. Special, Rum Whiskey, Kwong Heng Keu Rose Liquor, Cascade Beer, Kennedy's Tonic, Ferguson's Invalid Port, Crown V. O. Scotch, V. P. Lager Beer, Liberty Cherry Wine, Standard Port, Sam Suey and Chinese Whiskey in coal oil cans. The city police cells have had another cleaning on the instigation of the Police Commission.

The Princess Ena is in port with a full cargo for Albert & McCaffery. She has brought 500 tons of coal and a large quantity of building material, including windows, doors, sash, and other house finishing material.

The Royal Bank of Canada announces that they have opened a branch establishment at Alice Arm.

NO ALIENATION OF FISHING SITES AT NORTHERN POINTS

VICTORIA, April 19.—Representations have been made to the minister of lands pointing out the desirability of making a reserve of certain suitable sites for fishing stations at northern points. G.W. Nickerson of Prince Rupert was particularly active in this regard. The minister of lands has given instructions allowing no alienation pending investigation by officers of his department, during the course of their duties, as to the most desirable sites to be finally selected.

PRESENTATION TO MRS. MOBLEY

About Forty Friends Gathered Last Night to Bid Departing Lady God Speed.

Mrs. F. H. Mobley, who is leaving the city this week to reside in Victoria, was last night the recipient of an address from about forty of her friends who gathered at the home of Rev. and Mrs. H. R. Grant on Fourth Ave. Accompanying the address was a beautiful silver salver. The address which was on parchment inset in moosehide was the work of the local artist, Morte Craig. It was signed by D. G. Stewart, Mrs. F. G. Dawson and Rev. H. R. Grant.

In making the presentation, Mr. Grant read the address and then spoke of the loss they would all sustain in the departure of Mrs. Mobley.

Refreshments were served and an enjoyable social evening was spent.

Years Of Suffering Ended By "Fruit-a-tives"

112 HAZEN ST., ST. JOHN, N. B.
"It is with pleasure that I write to tell you of the great benefit I received from the use of your medicine 'Fruit-a-tives', made from fruit juices. I was a great sufferer for many years from Nervous Headaches and Constipation. I tried everything, consulted doctors; but nothing seemed to help me until I tried 'Fruit-a-tives'. After taking several boxes, I was completely relieved of these troubles and have been unusually well ever since". Miss ANNIE WARD.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.
