DAILY EDITION, Monday, April 26, 1920.

**Remember the Men
 Who Fought for Us.**

The commemorative service at the theatre brought home the
 fact that people are fast forgetting the sacrifices which were
 made by the noble men who responded immediately at the call
 of their country and who fought for the liberties of those who
 remained at home. It is so easy to forget. We are getting back
 to the old way of living except that we are bothered somewhat
 with the high cost.

It is well that the local memorial building is to be pushed
 ahead now. This is the time to secure the funds and get the
 building under way. It is to be hoped that nothing will delay it
 further and that everyone will give the collectors a glad welcome
 when they come with the list.

There is one more thing to do. The pension fund becomes
 every day more inadequate as the cost of living rises. The women
 who have lost their means of support are still struggling against
 odds. Some men who are unable to help themselves are still
 unprovided for. It should be urged yet more strongly on the
 Dominion Government that something must be done for these
 people. Everyone should back the veterans in their demands
 along these lines.

**Morse Creek Bridge
 Is Badly Needed.**

The Morse Creek bridge is badly needed and it is to be hoped
 that some method of carrying the work through will be found.
 It is difficult for anyone on the outside to know the difficulties
 of those who conduct the affairs of the city, but this must be re-
 membered. The people who recently built houses in Section
 Two, did so on the understanding that the bridge would be built.
 They have in many cases invested their all in a home, and the
 city now must do its part.

**Beef Shortage
 Likely Soon.**

Owing to the fact that so many of the cattle on the prairies
 had to be sacrificed last winter, there is likely to be a beef
 shortage soon and people will have to eat less meat. That will
 not be a hardship for many eat too much meat and not enough
 fish. Because we have the fish right here we do not value it
 as we should. There is plenty can be caught by the users if they
 so wish.

Any beef shortage on the prairies will help the British Colum-
 bia cattle ranches, for the prices will tend upward and there
 will be a ready sale for all the cattle that are ready for the market.

**Sunshine Recorder
 To Arrive Soon.**

Word has been received that a sun recorder is to arrive here
 soon. The Board of Trade asked for it, and it was not long in
 being sent. Now we shall be able to compare notes on sunshine
 and it is expected that the comparison will be favorable to this
 city. We have our dull times, of course, but also we have a
 great deal of sunshine.

The regular monthly meeting
 of the Hospital Ladies' Auxiliary
 will be held in the Council Cham-
 ber tomorrow, Tuesday 27th, at
 4 p. m. All members are request-
 ed to make an effort to be present.

Miss Lillian Stephen left for a
 two months' holiday visit in Se-
 attle and Vancouver on the Prince
 George this morning.

Mr. Davis, of the Canadian Ex-
 press Co., is leaving that office
 on the first of the month to take
 a position with the G. T. P. engi-
 neering department up river.

Skeena River arrivals on last
 night's delayed train included Mr.
 and Mrs. E. Pearce, of Oceanic,
 and A. M. Kipp, of Port Essing-
 ton.

**OWES HER LIFE TO
 "FRUIT-A-TIVES"**

After Years of Suffering with Dys-
 pepsia, this Fruit Medicine Gave Relief

Mlle ANTOINETTE BOUCHER

917 Dorion St., Montreal.

"I am writing to tell you that I owe
 my life to 'Fruit-a-tives' for this remedy
 relieved me when I had abandoned all
 hope of ever recovering my health.

I suffered terribly with Dyspepsia. I
 had it for years and all the medicines
 I took did not do me any good.

I read something about 'Fruit-a-
 tives' being good for all Stomach
 Troubles and Disorders of Digestion
 so I tried them. After finishing a
 few boxes, I was entirely relieved of the
 Dyspepsia and my general health
 was restored.

I thank the great fruit medicine,
 'Fruit-a-tives', for this wonderful
 relief."

Mlle ANTOINETTE BOUCHER.

The time used is Pacific Stan-
 dard, for the 120th Meridian west.
 It is counted from 0 to 24 hours,
 from midnight to midnight.

The table given is for Port
 Simpson but the time for Prince
 Rupert varies only a few minutes
 on some days and on others is
 the same. The range of the tide
 may be computed as 5 per cent
 greater at Prince Rupert than at
 Port Simpson both at springs and
 neaps. Therefore the rise in the
 Prince Rupert harbor is slightly
 greater than Port Simpson.

The height is in feet and tenths
 of feet above the average level of
 lower low water.
