Miss G. Crowe, nurse at the the Prince Rupert today returning Anyox Hospital, is a passenger on north after attending the funeral of her sister who was a victim of the Hotel Lincoln fire at Seattle. The burial took place at the family home at Penticton.

ALICE ARM HAD FIRST BASEBALL

Tied with Anyox on Sunday — Northern League has been Formed with Four Teams

ALICE ARM, April 27.—The first baseball game of the season in the north took place last Sunday at Alice Arm when that town tied with Anyox in a 3-3 score. The Anyox players and a boatload of spectators came up for the day and the playing displayed was as good, if not better, than the Alice Arm has ever shown.

A Northern League has been formed with four towns in the circuit, Alice Arm, Anyox, Stewart and Hyder. A silver cup valued at $100 has been put up for competition. The district has more baseball players this season than ever before and the rivalry between the various towns will be very keen.

BILL TO REGULATE COAST NAVIGATION

New Regulations May Be Promulgated by Orded in Council

A new bill before Parliament now in session at Ottawa provides that steamboat regulations may be made and promulgated by the Governor General in Council and may be changed from time to time as may be found necessary.

This measure will make possible such changes as may be desired to allow gasoline launches to operate from Prince Rupert or other ports.

The same bill gives power to the cabinet to fix a yearly tax on all steamboats registered in Canada.

Capt. Freeman has been very active in requesting that some change be made in the navigation laws which would permit of the operation of gasoline launches which could carry freight and passengers. The bill if passed will make it possible for the department of marine to comply with these requests.

MAGYAR REBELLION SUBOTITSA DISTRICT

(Special via G. T. P. Telegraphs)

BELGRADE, April 27.—A message from Subotitsa reports that on April 19 a revolt broke out among the inhabitants of Subotitsa, an internal district which formerly belonged to Hungary. A crowd attacked the municipal police guards, killing two of them and seriously wounding five others.

The revolt is believed to have been started by several hundred Magyar propogandists connected with the Soviet League for the integrity of Hungary, the headquarters of which is at Budapest.

IN THE LETTER BOX

MR. GLENNIE REPLIES.

Editor the News:—

In your report of the City Council as given in your paper yesterday, Mr. Casey stated that he (Casey) saw me and said that I "was tickled to death" to get the chance of making a deal. I never made such a statement in my life as I prefer to keep my distance from death rather than tickle it.

If Mr. Casey knows my mind better than I know it myself then it is he and not I who is pulling off a stunt. Mr. Casey says it seems to him that I am acting as an agent for somebody. I want it known that I am working for no agent, that there is no underhand motive in my act, but that my refusal to hand over the market is what any other business man would do under the circumstances.

D. GLENNIE.

THAT PETITION

To the Editor.—I would like to state that the petition for street improvements was handed to me to sign by Mr. Crane. As I was busy and did not read the contents I was unaware that it called for the dismissal of the street foreman, Mr. McLeod. Had it been presented that way I certainly would not have signed it.
