Great Sacrifices IN FINAL SALE

For several months I have been trying to sell my business as a going concern. I find this impossible. Consequently I have decided ta dispose of stock and fixtures separately, and close the doors. This is final.

My Vancouver store demands my attention. The only way to convert the stock into cash is to smash down the prices. The price cutter's axe has been swinging wildly.

Suits, Dresses and Coats

The most exclusive and beantiful ready to wear ever shown in Prince Rupert sacrificed regardless of costs. It is an opportunity to make one dollar do the work of two.
