## Shingle Mill is Now in Operation

Two Machines Running with Output of Fifty Thousand Daily---Await Arrival of Planing Mill Motors

The shingle mill of the Charlotte Islands Spruce Products, Limited, at the dry dock commenced operations last week and is now running full swing with an output of tifty thousand cedar shingles daily. Two shingle machines are running and twentyfive men are engaged.

One scowload of logs has already arrived from near Port Clements, Graham Island, in tow of the Grand Trunk tug Lorne and another scowload is on the way. The company is making an effort to bring shingle bolts from Terrace where good cedar
