PUBLICITY MAN GATHERING DATA

Captain J. Gordon Smith Arrived Yesterday on Princess Mary.

Among the arrivals from the south last night was Capt. J. Gordon Smith, who has charge of the publicity work in connection with the department of lands in the Provincial Government. He is here in connection with the work of preparing a booklet on northern and central British Columbia which will be used for the general publicity work of the department.

Mr. Gordon Smith left the position which he now holds in order to go overseas. He commanded a company in the 143rd but on reaching England reverted to lieutenant in order to get to the front quickly. He fought with the 72nd for some time and later was loaned to the British army for intelligence work. He was wounded and gassed and invalided home shortly before the close of the war.

Is Newspaperman.

Captain Smith is an old newspaperman. He worked for many years on the editorial end of the Victoria Colonist and during the Russo-Japanese war went to the front as special correspondent for the London Morning Post. His signed articles on the war and also on life in Japan were featured by that paper and also by other British publications. For many years, too, Mr. Smith was Victoria correspondent for the Associated Press.

Some weeks will be spent by Mr. Smith in this part of the province gathering data from actual observation. He will visit Alice Arm, Anyox and Stewart before leaving for the Bulkley and Nechako valleys, returning to Victoria by way of Cariboo.

STRIKE SPREADS TO FISHERMEN

Imbrecaria Tied up and Others Will Follow as They Arrive.

VANCOUVER, May 10.—The coast strike has spread to the fishing vessels, the larger boats, which are steamers, being affected. The only one in port now is the Imbrecaria belonging to the New England Fish Co., but the others it is understood will tie up as they arrive. The Imbrecaria crew refused to sail.

A. L. Hager says the fishing companies are not worrying about the strike as business is dull. Further developments are expected.

The C. P. R. stewards say they will strike on Tuesday at 8.

KITSILANO RANGERS WIN MAINLAND CUP

VANCOUVER, May 10.—The Kitsilano Rangers won the mainland cup on Saturday defeating the Longshoremen by a score of 2 to 1. There was a hammer and tong fight before something like 3,000 fans.

OPENING GAME OF FOOTBALL

Soccer League First Match on Wednesday Afternoon at Acropolis Hill.

Tomorrow evening on the battlefield of many an ardent feud—namely, the Acropolis Hill—will be contested the first great match of the soccer football league for this year. Already the league teams have been training to a considerable degree and the opening tilt between the railroaders and the brawny Scots is looked forward to with more than usual interest. Billy Reid's squad had a practice game last evening and a most satisfactory showing was made on all positions. The Callies too have not been slow to realize the value of good hard training and on more than one occasion have been engaged for the evening in careering about the cinder rectangle on the hill.

For this first game the odds are apparently about even in betting circles and keen interest is being shown on account of the transfer of some of the old St. Andrew's players to the new G. T. P. lineup. Certainly both teams are most promising and a well contended match can be anticipated.

The teams will be as follows:—G. T. P.—Waldorf; Hamilton and J. Fanthorpe; Main, Lawson and O'Donnell; Foote, Ross, Roberts, Fanthorpe and McIlravey. Reserves, A. Craggs, Eddie Smith and Stanley Smith.

Callies, from Martin; Menzies and Stewart; Mitchell, Ley, Campbell, Wiggins, Kinghorn, Stewart, Black, Kelly, Williscroft and McLean.

CUMBERLAND NOW SOCCER CHAMPIONS

VANCOUVER, May 10.—After a scoreless draw a week ago Cumberland beat Wallace's on Saturday at Nanaimo by a score of 1 to nil, winning the McBride shield and soccer championship of British Columbia. Booth was the man who scored from a scrimmage. There was a big crowd present and the gate receipts were $1200.

Bulky Rugs Washed for you

Laundering heavy rag and washable rugs at home is slow work, especially in these uncertain spring days when the right sort of drying weather is so seldom available.

In five minutes, you can pack up half this heavy work of housecleaning, and have us do it expertly for you in our modern way.

Then, too, your floor and bath mats, which soil so quickly, probably need washing. You can send them along also.

Let us lighten this toilsome work, and at the same time help you make your home brighter with old rugs washed to look like new.

Have our driver call for your bundle. Telephone today.
