Has Anyone else a Method?

It is our experience that women are ever ready to pass a good recipe along to others.

We asked for a method that would enable a cook to use Pacific Milk in recipes which call for sour milk.

Several have answered. Each of them practical.

Has anyone else a method, or a recipe where it has been demonstrated?

We'll send a filled recipe cabinet in return for a good tried recipe.

SAVE YOUR SIGHT

EYESIGHT—The most valuable of all the senses — is the most neglected and the least understood. Many suffer from ills, which, upon examination, can be traced directly to defective eyesight.

THE removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.
