NERVES ALL GONE TO PIECES

"Fruit-a-tives" Conquered Nervous Prostration

R. R. No. 4, GILBERT PLAINS, MAN.
 "In the year 1910, I had Nervous Prostration in its worst form; dropping from 170 to 115 pounds.

The doctors had no hope of my recovery, and every medicine I tried proved useless until a friend induced me to take "Fruit-a-tives".

I began to mend almost at once, and never had such good health as I have enjoyed the past eight years. I am never without "Fruit-a-tives" in the house". JAS. S. DELGATY.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.

LEAVES GOVERNMENT, JOINS OPPOSITION

Member for Battleford Takes His Seat in House of Commons With National Progressives.

OTTAWA, June 4.—H. O. Wright, who was elected as member of Battleford in the Unionist interest, but who recently opposed the Government budget proposals, speaking against them in the House of Commons, yesterday crossed the floor and sat with the National Progressives. This means that he has permanently taken up the cause of the opposition.

Ten Years Ago

June 1, 1910
 A petition has been received from Westenhaver Bros. and others asking that the city hall be built on Market Place. Alderman Pattullo felt that the site on Fulton Street was the most suitable for the present.

The second day of the Stewart lot sale realized nearly half a million dollars. The highest price was \$5,300 for the corner lot on Third and Brightwell. A. B. MacKenzie, of MacKenzie & Mann, was the biggest buyer.

Douglas Sutherland has resigned as C.P.R. agent here after seventeen years service with the company. He will go into the manufacturers' agent business in partnership with E. J. Maynard.

The Zanardi railway bridge is almost completed, the contractors now working on the last span.

The Board of Trade and City Council are jointly taking up the matter of the extermination of rats. The railway company already have a large quantity of poison on hand.

The Man in the Moon

SAYS:—
 THAT while the cost of food and clothes is high we must be thankful that we are still allowed to buy them. It is not the case with some products. Paper in the East is often refused to Canadian buyers. It is received exclusively for the Americans.

THAT the girls are wondering how many June brides there will be this year.

THAT judging by what I see at night, I should say there ought to be a number.

THAT those who are unable to pay the prices asked for the stuff they sell under the pseudonym of whiskey in the Eastern provinces, may console themselves that dandelions are coming in bloom.

THAT a man lost his feet last week through crawling under a train.

THAT the moral is "never crawl."

THAT crabs never get anywhere, neither do other side-steppers.

THAT all they seem to be born for is to be caught.

THAT the Bolsheviks have reached the Caspian Sea, and long may they stay there. Nobody seems to welcome them.

Among Alice Arm visitors in Vancouver recently were Joe Gallo, G. L. Thompson and S. H. Horner.
