WATER NOTICE.

DIVERSION AND USE.

TAKE NOTICE that Premier Gold Mining Co., Ltd., whose address is Premier, B. C., via Stewart, B. C., will apply for a licence to take and use three cubic feet of water out of Fletcher Creek, which flows westerly and drains into Cascade Creek, about one quarter mile north of the International Boundary in Salmon River Valley.

The water will be diverted from the stream at a point about near the north-east corner of Lot 3507, Rupert Mineral Claim, and will be used for power purposes upon the Premier Mine; power house to be located on Lot 3697—Cascade Forks No. 5. This water is to be used to generate power for use on the property of the Premier Gold Mining Co., Ltd., in connection with its mining and milling operations.

This notice was posted on the ground on the 29th day of April, 1920.

A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Prince Rupert, B. C.

Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within fifty days after the first appearance of this notice in a local newspaper.

WATER NOTICE

USE AND STORAGE

Take notice that the Taylor Mining Co., Ltd., whose address is 697 Credit Foncier Building, Vancouver, B. C., will apply for a licence to take and use 50 second feet, and to store 2500 acre feet of water out of Clearwater Creek, tributary to Kitsault River, which flows westerly and drains into Kitsault River about 23 miles north of Alice Arm, B. C.

The storage-dam will be located at outlet of Clearwater Lake. The capacity of the reservoir to be created is about 2500 acre feet, and it will flood about 200 acres of land. The water will be diverted from the stream at a point close to lake outlet, and will be used for power purposes upon the mine described as Wolf Mineral Claim, and lights to Alice Arm District.

This notice was posted on the ground on the seventh day of April, 1920.

A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Prince Rupert, B. C.

Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within thirty days after the first appearance of this notice in a local newspaper.

The powers of this undertaking are to be exercised for power and lighting within the territory embracing all the Wolf mineral claims, the Dolly Varden mineral claims, and all of this Company's Railroad and properties and buildings, or any properties and buildings of others in and adjacent to the Alice Arm district.

The petition for the approval of the undertaking will be heard in the office of the board at a date to be fixed by the Comptroller, and that any interested person may file an objection thereto in the office of the Comptroller, or of the Water Recorder of the District.

FORT FRASER

In order to keep up with the general forward impetus to farming in the community C. L. Stuart has recently made a new addition to his general store, where he will sell the most modern farm implements.

• • •

About the 22nd of June the ownership of the Nechaco Hotel will change hands when Mr. and Mrs. P. Slavin will arrive from Houston to take over the reins of management. Mrs. Williamson, the present owner, is reurning to take up farming activities in the vicinity.

• • •

With the recent appointment of the Rev. H. Munro to the Presbyterian Church of Fort Fraser during the next four summer months considerable activity is expected in Church circles.

• • •

Very soon now it is hoped that the final arrangements will be made for the forming of a tennis club. There are many nice plots available and with a little effort a first class court could be finished. Tournaments and matches could be conveniently arranged with some of the nearby points and splendid recreation provided during the long summer evenings.

• • •

A number of residents are considering the feasibility of approaching the Government with a view to securing financial aid for the completion of the Hospital. The sixteen room building is almost finished and a few minor changes would make the building most comfortable. The doctor from Vanderhoof could very conveniently make professional visits periodically.

TERRACE

A. J. Prudhomme, president and general manager of the Northern Interior Co-operative Association, held an organization meeting in the Progress Hall Friday night for the purpose of explaining the aims of the association and establishing a branch here.

• • •

Inspector Shinnick, of the federal department of railways, and Superintendent A. Kilpatrick, of Smithers, visited Terrace last Friday to look into the request for a railway siding at Kitsumkalum. Mr. Shinnick promised to put the matter before the railway commission, but was of the opinion that business did not warrant it, especially as the Terrace siding is less than a mile distant.

• • •

Plans and specifications for the new government school have been received by D. A. McKinnon, secretary of the School Board.

• • •

J. L. Powers, of the local Bank of Montreal staff, has gone to Stewart, to which branch he has been transferred.

• • •

Good progress is being made on the brickyard here and it is expected that brick will soon be turned out. The product will be the very best ornamental brick, of fine texture and very hard, taking a polish similar to pottery.

ENDAKO

A. G. Annan has opened a restaurant near the station where meals can be obtained at all hours in a convenient place for people who care to have a brief lunch as the train waits for fifteen minutes here. Mr. Annan is a returned soldier, well known throughout the northern country for his ability in the culinary line. Lately he has been joined by his wife, who arrived from the Old Country by way of Victoria. A rooming house is a part of Mr. Annan's equipment.
