The Board of Trade recently sent a wire to Colonel Peck informing him that the U. S. railways are not holding Canadian refrigerator cars in their country as reported although they are refusing to send U.S. cars here. The wire also stated that 95 per cent of the ush passing through this port is in bond for the States and the car shortage is diverting a large amount of this business to other ports. President Parker reported that a large number of refrigerator cars were now under construction for the fish business.

Sunlight Soap

She lets Sunlight do the work

Read Sunlight $5000 guarantee of purity

Sunlight dispels the shadow that once hung over wash day

IN fact many women do not say "wash day" any more. They say "Sunlight Day". It's a genuine pleasure to use Sunlight Soap because it means an economical wash, it means a quick wash. Why? Because, Sunlight is absolutely pure—you need only half the quantity as compared with ordinary soaps, nor will Sunlight harm any delicate fabrics, or hurt your hands. And it really takes the labour out of the washing in surprisingly little time as you will see by following the directions.

Insist on getting the Soap you ask for—SUNLIGHT SOAP.
