"Best to Get the Best"

There was a time when people who always got "the best of everything" were deemed either wealthy or extravagant, but now we have a different idea. The best is more satisfactory "in the long run." And it gives much greater satisfaction in the using or wearing of it.

This applies particularly to diamonds. Whether your turn to purchase diamonds is now, next week, next month, or in two or three years hence, it is good to remember that Birk's are "The Finest Diamonds Procurable."

DEMPSEY DENIES

Says Wife's Jaw was Broken in a Fall from the Steps

SAN FRANCISCO, June 15.—Jack Dempsey took the witness box yesterday in his own defence on the charge of being a slacker. He denied his former wife's charge of cruelty. He swore that her jaw had been broken as the result of a fall from the steps leading to his residence.

Dempsey said he had been the chief support of his family and had done a great deal of patriotic work attending benefits.

The Only Dessert of This Kind

There are numerous forms of quick gelatine desserts. But Jiffy-Jell is the only one with the real-fruit flavors sealed in glass. They crush the fruit, condense the juice and seal it. A bottle of the liquid fruit essence comes in each package of Jiffy-Jell. In a moment's time you can prepare a delicious fruit dessert. Sugar is used in Jiffy-Jell—not saccharine. And real-fruit flavors in place of artificial. It will give you a new conception of these delightful dainties. Jiffy-Jell is often used in place of jam, marmalade, etc. Additional sugar may be used to suit the taste.

KNIGHTS HAD BIG MEETING

Speeches and Refreshments on Past Chancellors' Night; Con- vention in August.

Last night being past chancellors' night at the local Knights of Pythias Lodge, the gavel was handed over by Chancellor Commander Westaway to Past Chancellor Daggett who took the chair. The work of the lodge was well carried on by the Past Chancellor and the third rank conferred.

The Castle Hall was fairly well filled and at the supper given after lodge many speeches were made, including those of Chancellor Commander Westaway and Past Chancellors Knight Burken, Simpson and Robert MacKay. Many Knights also spoke and the lodge has determined to double its membership this year.

A convention of the Knights of Pythias Order is to be held in Minneapolis on August 10. There will be no delegate from Prince Rupert, but Lodge 45 will be represented by a member of the British Columbia Grand Lodge. On the same date a convention of the Pythian Sisters will commence in the same city.

FEW REGISTER ON VOTERS' LIST

Only 220 so far Out of Over Five Thousand—43 Women

Although the lists have been open for two weeks only 220 people have placed their names on the voters' list and of that number 43 are women. Major McMullin, the registrar, says that there were over five thousand names on the old list and as that is cancelled everyone must register anew.

The list closes on July 5, a little over two weeks from now, and the court of revision will be held August 27. Should an election be sprung after that, it would mean that those not registering would be unable to vote.

It is not expected that there will be any occasion to use the list until the autumn, when the prohibition vote will be taken. As there may not be another court of revision before that date, it is safest to get on the list in order to make sure of a vote when the time comes.

Mrs. Nagel
Was Doubtful

Mrs. Nagel says she was one of the people who would not use canned milk in the house. They took a boat trip up the Coast last Summer and she used Pacific Milk on no other milk entirely. She baked hot cakes one morning on the galley stove. The turned out so well that she decided the milk must have something to do with it. She tried other things and they were all good. That converted her.

SAVE YOUR SIGHT

EYESIGHT—The most valuable of all the senses—is the most neglected and the least understood. Many suffer from it, which, upon examination, can be traced directly to defective eyesight.

The removal of the cause will often restore the delicate and run-down sufferer to robust health. When glasses are properly prescribed, they restore the vision to normal and eliminate all eye strain.
