## Labor Federation Demands Total Exclusion of Orientals

In Session at Montreal, Resolution is Passed asking for Cancellation of Gentleman's Agreement at present in force

MONTREAL, June 16 .- A white Canada is what the labor THREE BOATS SELL men in the east are asking. The Labor Federation in session at Montreal demand the total exclusion of Orientals and the cancellation of the "gentlemen's agreement" at present in force.

On Chinese there is at present a tax of \$500 on those coming Trouble With Cars Causes Boats to this country, and also an order was sent out a short time ago Musing admission to any more at present, even at that price. With Japan, however, it is different. Great Britain has a treaty with Japan and that country objects to discrimination against her citizens. She has made an agreement, however, to allow sely a few of her citizens each year to come to this country. Also the immigration laws are very strict and a good many are ghrning for various reasons.

Hindus are totally excluded under the immigration regula-

The result of the restrictions is that for a number of years oly a few Orientals have come to this coast and those of the 5,000 pounds which was bought letter class of Chinese and Japanese. The Labor men at Montreal by the Canadian Fish & Cold Storwject to even this small number and want total prohibition of Oriental immigration.
