Real-Fruit Desserts. The Rarest Sort

The only gelatine dessert which has fruit-juice flavors sealed in glass is Jiffy-Jell.

No artificial flavor can take the place of fruit. For Jiffy-Jell the fruit is crushed, condensed and sealed in vials. A bottle of this liquid essence comes in the package. And sugar is used—not saccharine—to sweeten Jiffy-Jell.

Jiffy-Jell comes in ten flavors. Try loganberry and pineapple for desserts. Try lime-fruit flavor for tart salad jell. Try mint for a refreshing mint jell.

SICK LADY HERE FROM PORT CLEMENTS

Mrs. Smith Brought Across by F. L. Buckley and Taken to Hospital.

F. L. Buckley of the Buckley mill arrived this morning from Buckley Bay bringing with him Mrs. Smith, wife of a merchant at Port Clements who is ill and was being brought across on the Lorne on a stretcher. She was taken to the hospital.

Mr. Buckley says that there are about 225 men working in his logging camps on the island and that the mill will start again before very long.

VANDERHOOF

Elaborate preparations have now been organized for the July 1 celebration here. One of the most attractive events of the day will be the girls' baseball match between the Nechaco and Vanderhoof nines. This is the first time that the girls have undertaken anything of this nature in the sporting line, although they came into the limelight last year with their relay race.

• • •

Last Thursday morning W. H. Smith and family arrived from Bracebridge, Ontario, and intend to take up land in the district. Mrs. Smith is a sister of Ralph Telford here.

• • •

Peter Jackson, a returned soldier from the Stuart Lake section, went to Prince George a few days ago to get a thirty-foot launch which will be used by the forestry branch on Stuart Lake. Mr. Jackson was in the employ of Foley, Welch & Stewart during the construction days.

• • •

The matter of taking up ensilage with the farmers has been given a great deal of attention of late. With Vanderhoof rapidly becoming the centre of a large dairying community, it becomes necessary to make ample provision for the winter. For a few months all the cattle have to be stall fed, so that it gives them sweet feed and a consequent greater percentage of butter fat. Outside the Land Settlement Board's office an example of a model silo is being exhibited.

• • •

The great baseball game on the first of July will be against a Mapes aggregation. These two teams have been playing backwards and forwards upon many occasions but the one lined up for Dominion Day will be particularly keenly contested, as there will be a large number of spectators.

• • •

The horseraces for the first of July celebration will be a pleasing feature of the large program of sporting events. Number of new horses have come into the district of late and many of them have not yet been given a chance to show their speed. Large purses should appeal to the fighting qualities of the proud owners.

• • •

The Nechaco Valley Co-operative creamery has now opened here. The institution ought to prove a great advertisement for district and should attract many new comers. It is on a very stable basis and the farmers will be running it themselves in about a year's time. For the present the Government Department of Agriculture is looking after affairs.
