MAND IDAN WALLE BARBURE WILL

Yesterday some were in doubt, would hardly believe in this age of high and advancing prices that all the figures quoted in Wednesday's ad. were genuine, but they came, were convinced, and went away satisfied that getting goods at the prices we are asking is almost like old times.

We do not wish to brag about our suit values, but, considering the material and workmanship that enter into them, think we have good reason to brag.

While we are cutting the price of every article in the store --- Hats, Caps, Shoes, Raincoats, Underwear, Shirts, Overalls, Neckwear --- absolutely no reserve, there are three lines of suits we wish to make special mention of.

One Novelty Tweed Young Man's Model. One dark grey Worsted Regular Model. One All Wool Blue Serge Regular Model.

Tomorrow all three lines cease to be a luxury. They over! Be one of the crowd!
