Young men who have been gratified by thinking that their one and only has little tricks of love making that are all her own, should see Miss Norma Talmadge fascinating her heart's choice in "The Woman Gives," which will be the attraction at the Westholme Theatre tonight.

Young women may also learn some things about the game of making love by watching the way Robert Milton responds to the various little subterfuges employed by Inga Sonderson, played by Miss Talmadge.

METHODISTS OBJECT TO PRIZE-FIGHTING

Resolutions Against It and Gambling Passed at Conference In Ontario

STRATFORD, June 17.—Gambling in all its forms, but particularly race-track gambling, came in for strong censure from the Methodist Conference, which deplored the attitude of the Provincial Government in entering into partnership with this evil by its system of taxation.

A resolution condemning prize-fighting had its origin in Windsor districts, where many combats have been staged since the war, and the Government was urged to prohibit this form of amusement.

Two resolutions were brought in on prohibition. The first dealt with the situation in the border cities, urging the Government to provide special provision for more rigid enforcement of the Ontario Temperance Act in these communities. The second dealt with the coming referendum, pledging the support of the Methodist Church to secure a big majority in favor of prohibiting the importation of all intoxicating liquor into the Province. The ultimate aim of the Church, according to this resolution, is the entire prohibition of the manufacture, importation and sale of spirituous beverages.

NO UNIFORMITY YET IN MARRIAGE LAWS

Change in British North America Act Necessary to Give Dominion Authority

OTTAWA, June 18.—To secure for Canada Federal legislation providing for uniformity in the civil recognition of duly-authorized performance of the marriage ceremony would necessitate an amendment to the British North America Act.

Hon. C. J. Doherty, Minister of Justice, in an interview with the Globe, briefly reviewed the statutes in relation to marriage in Canada. Under the constitution the provinces have sole jurisdiction as to the form of solemnization of marriage, while the Dominion has full authority in regard to other questions relating to marrital union. Annulment of marriage must be under provincial authority. Divorce must be secured under Federal authority.

E. Hodgson Claims Half of Million Dollar Commission on Sale of Mine

Mr. Justice Macdonald recently gave Alexander Brethour, of Taylor & Brethour, an order for a garnishee issue to be tried to determine the liability of R. T. Elliott, K.C., in the $1,000,000 Hodgson-Elliott-Dunsmuir suit concerned with the distribution of the commission for the sale of the $10,000,000 Dunsmuir coal mines near Ladysmith and Comox district.

E. Hodgson has been claiming half of the $1,000,000 commission. Some time he got judgment against G. B. French, also a claimant in the commission, for $25,000 of the large sums of money which it is alleged that Mr. Elliott paid French. This money, it is claimed, was held by Mr. Elliott in case of litigation such as this one.
