 ceding publication. All advertising received subject to approval.

DAILY EDITION. Saturday, June 19, 1920.

City to Sell Bonds Locally.

The city is offering the people of Prince Rupert short term bonds at a good rate of interest. They are as good as anything in the country in the way of security and can be used as collateral. They pay a better rate of interest than Victory Bonds and the only objection to them is that they cannot be marketed just as promptly as a Dominion Government security. They are not a liquid security. This, however, is often an advantage in that it compels saving. It is the nearest approach to buying life insurance as an investment.

Prince Rupert people will probably want to support their own city, just as they supported their own country during the war. A city bond is a good thing to put in the safe or in the bank among the other papers. "Buy a bond" is a good slogan during the next few days.

Local Building Society Prospers.

Another local security has turned out well. Reference is made to the Prince Rupert Housing Ltd. The annual meeting is to be held during the week, and there is a sufficient balance on the right side to enable the company to declare a dividend. This was entirely unexpected by most of the shareholders, although it was carrying out the suggestions made at the time of organization.

There is some talk of winding up the company as soon as possible and distributing the proceeds. It is argued that it has filled its purpose in that it has financed nineteen new houses, which were badly needed.

The Daily News is of opinion that houses are needed today just as much as they were a year ago. The building company is needed just as badly, and if another dozen houses can be financed during the coming year, the concern would well justify its existence. What would seem to be more to the point would be for each shareholder to double his holdings so that there would be a fund with which to work. The company is paying fairly well, it has passed through the throes of organization and there should be a useful future for it. If there are one or two shareholders who are pressed for cash they might be bought out, but certainly the company should be continued.

Judging from the statement issued by the company, the funds have been handled conservatively and all the borrowers are in good standing. The valuers have worked without fees and they seem to take a pride in serving the company.

The Daily News is glad to give this free advertising to a local concern which has served the city so well. Such an institution is worthy of support and if there are any people who would like to take an interest in it and see that it is continued as a purely commercial concern, it would be well to get in touch with the officers at once for there is plenty of treasury stock still for sale and loans can be made if the money is available.

Crop Prospects On the Prairies.

While it is early yet to predict the crop prospects at present are better than usual on the prairies. The acreage in wheat is not as large as last year owing to the late season, but if the yield is high, it will make the general output just as large. There are still dangers to be passed, such as rust and hail, but the prospects are reported very good, compared with other seasons.

BECAME SO THIN SHE WAS AFRAID

"FRUIT-A-TIVES" Made Her Well, Strong and Vigorous

MADAME ARTHUR BEAUCHER

805 Cartier St., Montreal.
 "I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headache, and was unable to sleep at night. I was getting so thin that I was frightened and saw several physicians who, however, did not seem able to help me.

At last a friend advised me to take 'Fruit-a-tives'. I did so and soon I felt some relief. I continued with 'Fruit-a-tives' and in a short time, the Constipation was banished, I felt no more pains or headache or the disagreeable sensations that follow dyspepsia. Now I am well, strong and vigorous."

Madame ARTHUR BEAUCHER.
 50c. a box, 6 for \$2.50, trial size 25c.
 At all dealers or from Fruit-a-tives Limited, Ottawa, Ont.

PRINCE RUPERT TIDES

Saturday, June 19,	
High, 2:53 a. m., 22 feet.	15:55 p. m., 20.3 feet.
Low, 9:32 a. m., 0.6 feet.	21:46 p. m., 5.7 feet.
Sunday, June 20,	
High, 3:45 a. m., 20.8 feet.	16:46 p. m., 19.9 feet.
Low, 10:16 a. m., 1.8 feet.	22:39 p. m., 6.2 feet.
Monday, June 21,	
High, 4:44 a. m., 19.3 feet.	17:39 p. m., 19.4 feet.
Low, 11:5 a. m., 3.3 feet.	23:38 p. m., 6.6 feet.
Tuesday, June 22,	
High, 5:48 a. m., 17.8 feet.	18:34 p. m., 19 feet.
Low, 11:58 a. m., 4.9 feet.	

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince-Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.

LOCAL GIRLS' GREAT WORK

Pupils of Miss Marcellus in Domestic Science Make Excellent Showing.

Yesterday afternoon in the Domestic Science Building at the King Edward public school the second annual exhibit of the girls' needle work was opened to the parents and children for inspection. Work was on display from all classes. The first year high school and the entrance class were in one group with hand sewn garments made for their own use. The junior fourth specialized in children's garments from 1 to 2 years. The senior third had their own cooking garments up for show.

Mrs. A. M. McDonald in speaking of the exhibit said that wonderful ability was shown in the needle work and that Miss Marcellus deserved great credit for the excellent showing. No marks were given for trimming so that it was the actual stitches put in by the girls that counted.

There was a much larger attendance than usual and a number of the mothers who had never taken any interest in the work before expressed great surprise at the excellent equipment and the good results obtained.

From the Seal Cove school there were a number of samples from the young pupils. From the Borden Street School Matsu Hara, Lizzie Currie and Alice Ennyu had displays on the tables which caused much favorable comment. From Miss McKinnon's class came some fine work by Alice Spencer, whilst Frances Cross, Alice Pillsbury and Alice Nelson of Miss Gladwell's class had some very nicely worked children's wear on the tables. In the Entrance class Mary McRae, Louie Fisher, Leona Parker, Dorothy McDonald and Lita Congrail had sets of three pieces on show as did Gertrude Nelson and Helen McEae from the first year class in high school. There were many other girls who had samples of their handiwork on the tables.

BEACH PARTY

Number of Young People Enjoy Crab Catching and Camp Fire Across Harbor.

A jolly party gathered on the beach across the harbor last evening at low tide to engage in the sport of crab catching. A fine bonfire was lighted and coffee was served at 10:30. After that there were camp fire games and singing. The party consisted of Misses Rothwell, Eason, McLennan, McLeod, McKinnon, Marcellus and King, and Messrs. T. Hooper, W. H. Manuel, E. Jenner, T. B. Hooper, C. C. Hooper, A. Snape and Paul.

Ten Years Ago in Prince Rupert

June 19, 1910

A special committee has been appointed to look after the Dominion Day celebration. This was formed through the motion of Alderman Lynch and Alderman Pattullo, who favored having one alderman on the committee and the rest made up of citizens. The following were appointed:—Alderman McIntyre, Dr. Tremayne, L. Crippen, W. M. Brown, Alf. Morris, J. B. Roerig, G. G. Nickerson and B. Ross.

The Cetriana arrived from Stewart this morning and left a few few hours later for Vancouver.

S. P. McMorde & Co. are making splendid progress on the sewer connection. Forty men are at work and it is expected that the pipe laying will commence shortly. The contractors are troubled somewhat by inquisitive people loitering around the work, especially when blasting is being done. Warning notices will be passed and thereafter they will assume no responsibility.

J. G. McNab will succeed D. Sutherland as representative of the C. P. R. here. Mr. McNab has been contracting freight agent for the B. C. coast service and has made a number of trips here before in an official capacity.

There may be something you want. See the classified column
