SIX MONTHS FOR NEGLECTING WIFE

Mark Ernest Turner Left Home and Family in Helpless Condition.

EDMONTON, June 18.—"Six months' imprisonment with hard labor in Fort Saskatchewan jail will give you some idea of my opinion of the man who will leave his wife in a helpless condition and without the necessities of life," said Magistrate Primrose to Mark Ernest Turner, late of Moose Jaw, when he found him guilty on the charge of non-support of his wife and three children.

Leaving a dollar and a half on the table and his wife under the care of a maternity nurse, and no provisions in the pantry, Turner deserted his wife in March, 1919, and was not seen or heard from by her until they were brought face to face in the police court when the husband was constrained to come to answer the charge laid against him.

For over a year now Mrs. Turner has been provided with the necessities of life by the Edmonton Board of Public Welfare, the Salvation Army and kind neighbors, testimony to the effect being given by Miss Dorothy King.

SAYS MISQUOTED

To the Editor—I regret to read in your account of the Conservative meeting of Thursday evening that I am credited with saying that "an overthrow of the Union Government was rather apparent." No such statement was made by myself nor by anyone else. The association is formed without any reference to Dominion politics, being purely in connection with provincial affairs.

SPREAD GOSPEL OF FREEDOM

Liberal Leader Appeals to Women of Canada to Encourage Spirit of Good-will.

"And in the great work of seeking to reconcile differences, and to promote the greatest good of the greatest number women's work will be, as it has been through all time, that of healing and restoring," said Hon. W. L. Mackenzie King in addressing the Ontario Women's Liberal Association. "We as Liberals appeal to the women of Canada to spread the gospel of a greater freedom and a larger spirit of good-will, that out of the ruins of the world lying shattered at our feet may come a resurrected life in matters political, industrial and social, to meet the sacrifice of our noble men, who laid down their lives for mankind."

Speaking of the destructive powers of war and the wreckage following in its wake, as in the wake of every storm, Mr. King said there came also a certain temporary lessening of the power of Liberalism. He pointed to the Union Government, formed for the purpose of winning the war, but not for holding on to power till the last possible moment. Several Liberal members have withdrawn, but some professed Liberals are willing to stay with a Government which is prepared to usurp power for some years to come, and which wholly ignores the wishes of the people. This the speaker attributed to the war-time attitude of mind, an attitude revealing itself in a number of instances of autocratic action which he quoted, and in matters of lavish expenditure for which he gave figures, such as the increase of the country's debt since the end of the war at the rate of a million dollars a day.

B.C. BONDS ARE RE-SOLD WELL

High Standing of Provincial Securities Shown in Quick Turn Over by Syndicate.

The Financial Post announces that the syndicate which purchased the British Columbia six per cent bonds in the United States at 88.14 has resold the whole issue at 92.85, yielding them a handsome profit and showing the high standing of B. C. bonds on the American market. Telling of it, the Post says:—

"The most important transaction of the week was the sale of the British Columbia issue of $2,000,000 to a syndicate composed of Halsey, Stuart & Company, Chicago, Wood, Gundy & Co., Dominion Securities Corporation and A. E. Ames & Co., Toronto. The bonds are for five years and bear interest at the rate of 6 per cent. They are dated June 4 and mature June 4, 1925. The price paid was 88.14 and interest in New York and the province will get the benefit of the premium on bringing the New York funds into Canada.

It was announced later that the syndicate had disposed of the entire issue in the United States at 92.85 and interest, giving a yield of 7¾ per cent. The only other bid received was made by a syndicate headed by the Canada Bond Corporation, their price being 86.95. The following are the tenders:

Halsey, Stuart & Co.	88.14
Wood, Gundy & Co.	88.14
Dominion Securities Corp.	88.14
A. E. Ames & Co.	88.14
Canada Bond Corp. & others	86.95
